M. E. Notes.

Three Red Cloud people attended the camp meeting at Dewese last week. Those who attended say the preaching was of a high order.

Rev. J. S. Randall and family tented in a lovely place near the river bank. The school of methods was very instructive and made more efficient workers out of the Epworthians.

Rev. Metcalf returns to his home in Cowles this week after a three weeks sojourn in the eastern part of the state. Rev. C. C. McCabe D. D. L. D. will call the Nebraska annual conference to order at Hastings September 16th, which fact makes us happy to contemplate.

The Eckley young people charmed the people with a few soul stirring selections Sabbath morning. Rev. H. Curtis of Harvard conducted bible reading at 9 o'clock and helped to a better understanding of the work of God.

Rev. W. H. Alexander P. E., of Hastings district stood in the front of the battle with great courage. Rev. A. M. Perry of Nelson was sustained in his work on the camp ground by a goodly number of his own people.

The number in attendance on Sabbath was the largest ever known in the history of the Dewese camp meeting association. The writer of these notes has heard with great pleasure of the great work of grace now in progress at the Fisher school house conducted by Rev. Horton of this city.

Now if each member of the church will make a contribution toward the benevolent enterprises of their church they will honor themselves and help on the kingdom of God. One of the best features of the camp-meeting was the singing which was very inspiring.

Your Hair Can Be Saved

from falling out or turning gray. This is a positive fact, and we guarantee Beggs' Hair Renewer to do it. It cleanses the scalp, leaving the hair glossy and luxuriant. Sold by C. L. Cotting.

STILLWATER.

Politics are ripe and corn is getting there. Dave Fishel and wife were at Red Cloud on Saturday last.

A basket meeting was held in Mr. Darnings grove last Sunday. Battle Mottet will attend school at Guide Rock and live with her grandma Mrs. Schuman.

Mr. and Mrs. H. C. Christy of Shubert, Nebraska, who have been visiting their children started home Tuesday overland.

Grandma Bennett, Mrs. Ogilvie's mother, has been very ill but is better at present writing. Miss Jennie Higgins of Shubert,

Nebraska, has arrived and will teach the Beaver Center school. A. Parker and wife and Will and Edie Isom went to Mankato, Kansas, to get a load of peaches.

Dame Rumor says Will Ogilvie and Etta Britton were married on Wednesday evening, Sept. 2, 1896.

A. H. Spracher and family are attending state fair. Emily Ogilvie, Susie Spracher and Mabel Wells will attend school in Red Cloud this year.

Feed the Nerves.

Upon pure, rich blood and you need not fear nervous prostration. Nerves are weak when they are improperly and insufficiently nourished. Pure blood is their proper food and pure blood comes by taking Hood's Sarsaparilla, which is the greatest and best nerve tonic. It also builds up the whole system.

Hood's PILLS are the favorite family cathartic, easy to take, easy to operate.

BATIN

Con Wilson is working for Mr. Bruley.

Miss Able will teach the Otto term of school this year. Wm. Andrews of Otto was in this locality the latter part of last week visiting Rev. Bean.

Miss Lizzie and Tishie Marker were visiting friends at Gibbon, this state, last week. Mrs. Larrick and daughter Abbie were visiting in Red Cloud Wednesday the guests of Mrs. Crabill.

Rev. Horton closed his protracted meeting at district 14 Sunday night. About forty conversions are reported. Marie Jensen from near Kearney was in this vicinity visiting among friends first of this week.

Prof. R. B. Payne started for Lincoln Monday where he will attend school at the state university. Andy Means' sale was largely attended and cattle seemed to be the main object of the enthusiastic crowd.

On Wednesday of last week Mr. Robert Robinson passed from this life to the one beyond. Early last spring he was afflicted with a paralytic stroke from which he never rallied. He had no relatives here only Mrs. A. N. Wilson. Mr. Robinson was a firm believer in the Christian faith. He was about 84 years old. Funeral services were held at the residence of A. N. Wilson on Thursday at 3 o'clock conducted by Rev. Blackwell and the remains were laid to rest in the Catherton cemetery. STUNNER.

Rheumatism Cured in a Day. "MYSTIC CURE" for Rheumatism and Neuralgia had only once in 10 to 15 days. Its action upon the system is remarkable and mysterious. It removes all the acid and the disease is cured. Its effect is to drive out the acid and the disease is cured. It is a positive fact, and we guarantee Beggs' Hair Renewer to do it. It cleanses the scalp, leaving the hair glossy and luxuriant. Sold by C. L. Cotting.

From one of our fashionable suburbs comes a tale of revenge that would make a Sioux Indian turn green with envy. A young man just home from an eastern college invited a young lady of the village to a Sunday morning ride on his tandem bicycle. She was

delighted, and would, of course, go, and she could hardly wait to carry the news to her particular girl friend, who it happened had heretofore occupied the front seat on that same tandem. Then the plot was laid. "How nice," said her chum, "Have you a bicycle suit? No? Why not wear mine? Don't you think this will look lovely?" Now, the garment exhibited happened to be a bathing suit of pronounced colors and unique design but as the first young lady had never been in sight of salt water, and being of a guileless nature, the bunko game worked to perfection. The young man's breath suddenly left him that Sunday morning when his companion came out ready to mount, but that was nothing compared to the panic they created along the route. Plus matrons on their way to church threw up both hands and prayed fervently, and the male population on the streets stopped spellbound and watched them out of sight. The young man had little to say, but it is claimed he broke Zimmerman's record getting to the unfrequented streets. Verily, "Revenge is sweet."—Cincinnati Enquirer.

There is more catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease, and prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Science has proven catarrh to be a constitutional disease, and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, Ohio, is the only constitutional cure on the market. It is taken internally in doses from 10 drops to a teaspoonful. It acts directly on the blood and mucous surfaces of the system. They offer one hundred dollars for any case it fails to cure. Send for circulars and testimonials.

F. J. CHENEY & CO., Toledo, O. Sold by all druggists 75c. Hall's Family Pills are the best.

A Georgia candidate made a bad "break" in church the other day. The preacher asked some one to start a hymn, and the candidate burst forth with "From Greenland's Icy Mountains." But he caused a slight sensation among the brethren when he rendered one of the concluding stanzas as follows:

"Waft, waft, ye winds, the story And you, ye waters, roll! Till like a sea of glory They vote from pole to pole!"

There is no telling where he would have brought up if the good brethren had not called him down.—Stolen.

Sciatic Rheumatism Cured. L. Wagner, Wholesale Druggist, Richmond, Va., says: "I had a fearful attack of Sciatic Rheumatism, was laid up almost two months, was fortunate enough to get MYSTIC CURE FOR RHEUMATISM. This cured me after doctor's prescriptions had failed to have any effect. Sold by H. E. Grice druggist, Red Cloud.

The name of the lady whose profile adorns the silver dollar is Anna W. Williams, a school teacher of Philadelphia. It was reproduced from a photo of her, when eighteen years of age, and was considered the most perfect features of any woman living. At first she protested against allowing her features used for such a purpose, but friends finally induced her to consent. As long as the silver dollar was all that it professed to be the lady has remained single, but since the free silver craze has come up she proposes to change her name and will soon be married. She is evidently in favor of a double standard.—Stolen.

Inflammatory Rheumatism Cured in 3 Days. Morton L. Hill, of Lebanon, Ind., says: "My wife had Inflammatory Rheumatism in every muscle and joint, her suffering was terrible and her body and face were swollen almost beyond recognition; had been in bed for six weeks and had eight physicians but received no benefit until she tried the MYSTIC CURE FOR RHEUMATISM. It gave immediate relief and she was able to walk about in three days. I am sure it saved her life. Sold by H. E. Grice druggist, Red Cloud.

A woman near Beaver City was very sick, and she took doctor's medicine for awhile, and grew worse; then she told her husband that she had promised God that she would take no more medicine, and she asked him to send to Denver for a Christian Science healer. He did so and the healer came; and the woman died while the Denver man was trying to heal her. An animated discussion is going on. The Christian Scientists are defending their faith with great enthusiasm, and quoting the scriptures to show that they are right and everybody else wrong; and every man who breaks into the argument, whatever may be his creed or denomination, quotes the scriptures freely to show that he is right, and everybody else wrong. It all shows the futility of a discussion of that kind; it can go on from everlasting to everlasting, and nobody will be a bit the wiser, or swayed from his original convictions. A man can originate any sort of a creed and find texts, which by a distortion of the meaning, will seem to establish his position beyond a question. The only thing that a church or theological quarrel ever did or ever can do is to stir up a lot of bile and bitterness.—Beatrice Express.

A man may dress as well as his own good judgment and the assistance of an artistic tailor may elect. He may take his "tubs" but if his digestive organs are out of order, he will have an unwholesome appearance. His complexion and the white of his eyes will have a yellowish cast. His tongue will be coated, appetite poor, his teeth rusty, his breath abominable. He is one big, unmistakable sign of constipation. The quickest, surest, easiest way to cure this trouble is to take Dr. Pierce's Pleasant Pellets. They are made of refined, concentrated vegetable extracts. Nothing in the least harmful enters into their composition. They hunt down all impurities, and "make them move on." They are the product of many years' study and practice. Dr. Pierce cannot afford to put forth a worthless article. Address with 21 cents in one-cent stamps, to cover cost of mailing only, World's Dispensary Medical Association, Buffalo, N. A Nebraska Idyl.

"Jake Muller on a summer day, raked the meadow of alfalfa hay. The mule with which he raked the hay was a muckle dun with spots of gray. Jake's shirt was hickory, his pants were brown, with a patch on the spot where he sat down. Jake cursed in a way that was sad to see and his mule went 'haw' when he said 'gee.' A bumble bee's home in the stubble lay, where Jake and the mule raked alfalfa hay. A tooth ran through the bumble's home, and the bees came out and began to roam in search of the maw on a summer's day, who raked the meadow of alfalfa hay. They swarmed inside Jake's hickory shirt, and quickly that mule took a mighty spurt. It was tough on the mule, it was worse on Jake, and somewhat severe on the sulky rake, for the mule turned loose in a promiscuous way, and scattered the rake o'er the alfalfa hay. And Jake as he ambled quickly away, swore that he headed the race as champion jay."—Stolen.

Its Value Recognized by Physicians. As a rule I am opposed to proprietary medicines. Still I value a good one, especially when such is the source of relief from pain. As a topical (external) application I have found Chamberlain's Pain Balm the best remedy I have ever used for neuralgia of any kind. I have conscientiously recommended it to many persons. William Horne, M. D., Janesville, Wis. Sold by Deyo & Grice.

Mr. and Mrs. Wm. Richardson have sold more territory for their celebrated hog and chicken cholera remedy to A. S. Campbell. He will soon start to his territory for business.

Diarrhea and Dysentery are dangerous, and you should not be without a bottle of Beggs' Diarrhea Balsam in the house at this season of the year, as it relieves at once. No bad results follow. Sold by C. L. Cotting.

Notice to Teachers. Notice is hereby given that I will examine all persons who may desire to offer themselves as candidates for teachers of the public schools of this county, at Red Cloud on the third Saturday of each month.

Special examinations will be held on the Friday preceding the 3d Saturday of each month. The standing desired for 2d and 3d grade certificate is the same—no grade below 70 per cent., average 80 per cent.; for first grade certificate—no grade below 80 per cent., average 90 per cent in all branches required by law.

It does not look well for Teller to be posing as a patriot. He is one of the senators who held up the tariff bill in the senate and would not let it pass without a free silver attachment. It didn't matter to him if his vote did keep a million men out of work. He was working then, as he is today, in the interest of the millionaire mine owners. The Bryan club held a meeting at the court house last Monday night and listened to speeches from several local speakers. The attendance was fairly good, but could not be considered so from a Bryan standpoint. The ladies Bryan quartet furnished some very excellent music, which, by the way, was the best part of the program and was loudly applauded by both Bryan and McKinley men. Short speeches were made by Geo. O. Yeiser, Chas. Gilham, Spangle who read a couple columns from a popocratic paper, and J. S. Gilham who made one of his typical funny (to himself) speeches, a part of which was received with enthusiasm by the Bryanites. After the speakers had extolled the good(?) cause of Bryan the paper was circulated but few, and a very few new names were added to the list.

Beggs' Diarrhea Balsam positively has no equal in diarrhea, dysentery and inflammation of the bowels. It relieves quickly, and being purely vegetable, no bad results follow. You cannot afford to be without it at this season of the year. Sold by C. L. Cotting.
