\*Doubtful. Electoral votes necessary to a choice—224.

CHICAGO, Nov. 5.—McKinley and Hobart are elected, but the majority is likely to be a much narrower one than has been looked for as the result of the earlier dispatches. The following electoral votes are conceded to McKinley: Connecticut 6, Illinois 24, Iowa 13, Maine 6, Maryland 8, Massachusetts 15, Michigan 14, Minnesota 9, New Hampshire 4, New Jersey 10, New York 36, Ohio 23, Pennsylvania 32, Rhode Island 4, Vermont 4, Wisconsin 12. Total 229.

The following votes are conceded to Bryan: Alabama 11, Arkansas 7, Colorado 7, Florida 13, Georgia 13, Idaho 3, Louisiana 13, Mississippi 9, Missouri 17, Montana 3, Nevada 3, South Carolina 9, Tennessee 12, Texas 15, Utah 3, Virginia 12. Total 134.

The fight has not been given up by the Democrats. As late as 12 o'clock to-day Senator Jones said: "The indications are that we have carried Indiana. If we have Mr. Bryan is elected. We have carried Tennessee, Kentucky and my best advices from Minnesota are that Towne is elected and the state is in doubt. I have just received a telegram from Mr. Bryan in which he says that he will carry his state by 10,000."

From returns thus far received the next Senate probably will stand as follows: Republicans 42; Democrats, 32; Independent and Populist 11, doubtful 5. Total 90.

On the currency question the Senate undoubtedly will have an anti-silver majority. The doubtful states are Delaware, Kansas, Kentucky, North Carolina and South Dakota. The Republicans would need 45 votes with the Vice President to control the Senate. The Republican senators who booted the St. Louis ticket and platform are classed as independents. They are Teller, Dubois, Mantle and Cannon. Another Utah senator to be elected to succeed Brown will undoubtedly be independent.

The States That Have Been Carried by the Republican Nominees.

NEW YORK.

Over 300,000 for McKinley—Republicans for First Time in History.

ALBANY, N. Y., Nov. 5.—With less than one-fourth of the election districts about the Harlem river to hear from and with the vote of New York city and Kings county complete, the plurality of McKinley over Bryan promises to exceed 300,000 in the state. One county in the state, Schoharie which is the home of Chairman Danforth of the state Democratic committee, has given Bryan a plurality of 500.

New York city has broken its political record of Presidential elections by giving McKinley 16,529 plurality over Bryan. This is a Republican plurality for President for the first time in the city's history. From 1832 to 1896, with one exception, Democratic

GARRETT A. HOBART.

Presidential candidates have never polled less than 57 per cent of the total vote of the city. In 1845 the defection of Van Buren and the Free Soilers cut down the Democratic vote to less than 36 per cent, but left a small plurality. Even in the Greeley campaign of 1872 the Democratic candidate polled nearly 59 per cent.

PENNSYLVANIA.

McKinley's Majority at Least 266,000—Congressional Status Unchanged.

PHILADELPHIA, Nov. 5.—Estimates from every county in the state give McKinley an apparent plurality of 266,000. There is every reason to believe that the official returns will show a plurality for McKinley of nearly 250,000. The legislature is almost entirely Republican, the Democratic representatives not exceeding 10 per cent in membership in the lower house of 204.

Philadelphia complete gives McKinley 178,941; Bryan 68,383; Republican plurality 110,558. Alexander Crow, Jr., is elected sheriff by 14,821.

INDIANA.

McKinley Almost Certain to Carry the State by 30,000.
