IT CAN'T BE DONE.

No One Can Remain Well, No Chronic Disease Can Be Cured Unless the Stomach is First Made Strong and Vigorous

and Vigorous

This is plain because every organ in the body depends on the stomach for its nourishment. Nerve, bone, sinew, blood are all made from the food which the stomach converts to our use. How useless to treat disease with this, that and the other remedy and neglect the most important of all, the

The earliest symptoms of indigestion are sour risings, bad taste in the mouth, gas in stomach and bowels, palpitation, all-gone feeling, faintness, headaches, constipation, later comes loss of flesh, consumption, liver and heart troubles, kidney diseases, ner-yous prostration, all of which are the indirect result of poor nutrition.

Any person suffering from indigestion should make it a practice to take after each meal one of Stuart's Dyspepsia Tablets, allowing it to disselve in the mouth and thus misgle with the saliva and enter the stomach in the most natural way. These Tablets are highly recommended by Dr. Jennison because they are composed of the natural digestive acids and fruit essences which assist the stomach in digesting all wholesome food before it has time to ferment and sour.

Stuart's Dyspepsia Tablets are sold by druggists, full sized packages at 50 cents. They are also excellent for invalids and children. A book on stomach and thousands of testimonials of genuine cures sent free by addressing Stuart Co., Marshall, Mich.

Somebody is writing for the papers that apples eaten just before retiring are a great help to digestion. We tried are a great help to digestion. We tried it and about 2 o'clock we dreamed that a fire red dragon with a peagreen tail and eyes as big as a soup plate was carving us up with a meat saw and a sword. We finally awake to find our good wife fanning us with a bed slat and trying to get the baby out of the coal scuttle, where we put it to keep the dragon from getting it. Darn the apples; give us prunes.—Osmond Republican.

ONE OF THE BEST FEATURES.

Of the Pyramid Pile Cure.

Is the fact that it cures every form of piles without one particle of pain. This desirble point is not obtained by the use of injurious opiates which simply deaden and paralyze the nerves of the parts and make matters werse in the long run But it is done solely by its remarkable heating and soothing

And while it thus gives immediate react, at the same time the disease is not merely checked, but a radical cure is

apidiy accomplished. And the point we want to make clear is that all this is done without a parti-

cie of pain. This fact is one reason for the great popularity of the Pyramid Pile Cure and constitutes one very great difference between it and almost any other

kind of treatment for piles. Every kind of surgical operation for piles is excruciatingly painful besides endangering the life of the patient and in most cases is not to be compared with the Pyramid Cure, neither in making successful cures without pain

nor in cheapness and safety.

The Pyramid Pile Cure has been be fore the public too long, and its merits recognized by too many people to al-low it to be classed with the many salves, suppositories, pills, etc., and you run no risk in trying it, as is often he case with new and untried prepara-

If you are ever troubled with any form of piles or rectal disease do not forget the Pyramid Pile Cure. Prepared by the Pyramid Drug Co., Albion, Mich., and sold by druggists at 50 cents per package.

The only time when I cut off my advertising would be when I had more business than I could possibly attend o, and when I made up my mind that would not increase my facilities. If I were making all the money that I wanted to make, if my business had reached a proportion which completely satisfied my ambition, I would stop advertising. Even then I would not stop very long, because, if I did, the business would start on the down grade You have to advertise to make busi ness and to hold it and to increase it. -Charles Austin Bates.

We all know that any tired muscle can be restored by rest. Your stomach is a muscle. Dyspepsia is its manner of saying. "I am tired. Give me a rest." To rest the stemach you must do its work outside of the body.

This is the Shaker's method of curing indigestion, and its success is best attested by the fact that these people are practically from what is without doubt the most prevalent of all diseases. The Shaker Digestive Cordial not only contains digested food which is promptly absorbed without taxing the tired digestive organs, but it is likewise an aid to the digestion of other foods in the stom-
