The Mount Lebanon Shakers recently performed a great deed of charity, although it was not designed as a charity, being nothing more or less than an advertising scheme. It however resulted in great good for the same. They gave away 1,000 bottles of their Digestive Cordial to those suffering from stomach derangements.

It was so effective in curing those who used the remedy that they were loud in their praises of it and in consequence a large demand for the cordial was at once created.

The druggists of this town have little books that will tell you all about it. Digestive Cordial creates an appetite, aids digestion and bring about a rapid increase in flesh and strength.

LAXOL is the name of a palatable Castor Oil. Just the thing for children.

When the warm weather comes these impurities are liable to manifest themselves in various ways and often lead to serious illness. Unless the blood is rich and pure that tired feeling will afflict you, your appetite will fall and you will find yourself "all run down." Hood's Sarsaparilla tones and strengthens the system, drives out all impurities and makes pure, rich, healthy blood. Hood's Sarsaparilla is the one true blood purifier and the best spring medicine.
