On account of removal to New York City of Mr. Chas. Wiener, of Red Cloud, Nebraska, will sell his entire stock on favorable terms. Well established business, stock of about twelve thousand dollars. This is one of the finest opportunities for a man looking for a location. Business has been established for fifteen years and has a wide reputation throughout the surrounding country and a valuable list of customers.—Apparal Gazette, Chicago.

The assault case of Mrs. A. M. Phillips vs Miss Emma Murphy occupied the attention of Judge Duffy and a jury last Tuesday afternoon and resulted in the discharge of the defendant. The trouble arose from a dispute over a road between Wm. Murphy and H. H. Peck, and in which Miss Murphy took a hand, with the avowed intention of breaking Peck's head with a box elder club, but unfortunately the club was too short and landed on Mrs. Phillip's arm, who was seated in the wagon beside Peck. Miss Murphy came up town and filed a complaint against herself, and paid a fine, to save further trouble, but was again hauled into court on Tuesday. The evidence showed conclusively that the blow received by Mrs. Phillips was intended for Peck and the jury rendered a verdict accordingly. Miss Murphy is as estimable a young lady as can be found in the city and was perfectly justified in using a club but it was unfortunate that it should land where it did. On the other hand the person causing the trouble, H. H. Peck, has been a trouble raiser in that neighborhood for several years, and the law suits in which he has figured from that vicinity have been numerous. The quicker the people set down on him the quicker peace and harmony will reign.

He will leave as soon as he succeeds in closing out his business here. Mr. Wiener has been a citizen of this city since 1883 and during that time has won a reputation for fairness and good citizenship, making many friends who will unite with THE CHIEF in wishing him continued success in his new location.
