Cowles Robbers Escape.

This city has not in years been stirred up to the pitch of excitement which was occasioned by the bringing of news on last Saturday morning between one and two o'clock that the prisoners who were in the custody of board of county commissioners of Sheriff Runchey and his deputies had escaped near the south approach of the bridge. Despite the lateness of the hour quite a number of men were still up and others were awakened and deputized as searching parties and it by Thomas Burden and thirteen others. was not long before several buggy loads of armed men were on the scene.
