Boyers Attack of Dyspepsia Cured by Hood's Sarsaparilla - A Skin Disease From Childhood,

"Since we came to North Dakota wa have never had occasion to call a physician. We take Hood's Sarsaparilla for all our ailments. About three years ago my husband had the misfortune to strain his stomach by heavy lifting. This brought on dyspepsia and he suffered very much, especially at night, and he could not aloop. He decided to take Hood's Sarmaparilla and after using two bottles he was completely cured. He was also gratified to find that Hood's Sarsaparilla relieved him of a roughness of the skin with which he had been troubled from childbood." Mrs. John Abrams, Pembina, N.D.
