DANGEROUS CHEMICALS.

The Time Has Arrived to Put Legal Restrictions on Their Sale.

Several more or less dangerous articles of chemical manufacture are becoming so largely employed for a variety of useful purposes now that some restrictions as to their sale, conveyance and storage are imperative, says the San Francisco Argonaut. Thousands of gallons of "liquid" carbonic acid gas in steel cylinders under high compression may now be seen every day being conveyed in carts from place to place, and similarly other gases are stored under pressure in "tubes," as, for instance, oxygen, hydrogen, nitrous oxide and so on, all of which may expose the public to danger. Solid bricks of metallic sodium, again (kept under naphtha, of course), are every day carried from port to port as part of a ship's cargo, and very serious accidents have occasionally arisen from the intermixture of various chemicals on board ship by the damaging effect of a rough passage upon the packages. Still another chemical substance of comparatively recent discovery is carbide of calcium, which on simply becoming moist gives off the exceedingly inflammable gas, acetylene, which, with air, forms an explosive mixture.

Tetter, Salt-Rheum and Eczema.

The intense itching and smarting incident to these diseases is instantly allayed by applying Chamberlain's Eye and Skin Ointment. Many very bad cases have been permanently cured by it. It is equally efficient for itching piles and a favorite remedy for sore nipples; chapped hands, chilblains, frost bites and chronic sore eyes. 25 cts. per box.

Dr. Cady's Condition Powders, are just what a horse needs when in bad condition. Tonic, blood purifier and vermifuge. They are not food but medicine and the best in use to put a horse in prime condition. Price 25 cents per package.

Educate Your Bowels With Cascarets. Candy Cathartic, cure constipation. 10c or 25c. If C. C. C. fail, druggists refund money.

No-To-Bac for Fifty Cents. Guaranteed tobacco habit cure, makes weak men strong, blood pure. 50c. B. All druggists.

My wife had female weakness. We found no relief until we used your Kidney and Backache Cure. A few doses gave me relief and 4 bottles cured. My wife took 3 bottles and is herself again. I never knew a remedy possessed of such power for good. Our cases are a standing recommendation for it here."

In France the man must be 18 and the woman 15; in Belgium the same. In Spain the intended husband must have passed his fourteenth year and the woman her twelfth. In Hungary, for Roman Catholics, the man must be 14 years old and the woman 12; for Protestants, the man must be 18 and the woman 15. In Greece the man must have seen at least 14 summers, and the woman 12. In Portugal a boy of 14 is considered marriageable and a woman of 12. In Russia and Saxony they are a little more sensible, and a youth must refrain from entering into matrimony till he can count 18 years, and the woman till she can count 12. In Switzerland the men from the age of 14 and the women from the age of 12 are allowed to marry. In Turkey any youth and maiden who can walk properly, and can understand the necessary religious service, are allowed to be united for life.
