**Two Fabled Questions Answered.**  
What is the use of making a better article than your competitor if you cannot get a better price for it?  
Ans.—As there is no difference in the price the public will buy only the better, so that while our profits may be smaller on a single sale they will be greater in the aggregate.  
How can you get the public to know your make is the best?  
If both articles are brought prominently before the public both are certain to be tried and the public will very quickly pass judgment on them and use only the better one.  
This explains the large sales on Chamberlain's Cough Remedy. The people have been using it for years and have found that it can always be depended upon. ## Beware of the Knife.

Mr. Lincoln Nelson, of Marshfield, Mo., writes: "For six years I have been a sufferer from a scrofulous affection of the glands of my neck, and all efforts of physicians in Washington, D. C., Springfield, Ill., and St. Louis failed to reduce the enlargement. After six months' constant treatment here, my physician urged me to submit to a removal of the gland. At this critical moment a friend recommended S.S.S., and laying aside a deep-rooted prejudice against all patent medicines, I began its use. Before I had used one bottle the enlargement began to disappear, and now it is entirely gone, though I am not through with my second bottle yet. Had I only used your S.S.S. long ago, I would have escaped years of misery and saved over \$150."  
This experience is like that of all who suffer with deep-seated blood troubles. The doctors can do no good, and even their resorts to the knife prove either fruitless or fatal. S.S.S. is the only real blood remedy; it gets at the root of the disease and forces it out permanently.  
S.S.S. (guaranteed purely vegetable)
