

NO CLASHES IN OHIO

THOUSANDS OF REPUBLICANS GATHER.

The Anticipated Collisions Between Adherents of the Senatorial Factions Do Not Occur—Cheers For Bushnell During His Second Inauguration.

COLUMBUS, Ohio, Jan. 11.—Special trains from all parts of the state brought at least 10,000 Republicans here last night and this morning to participate in or witness the second inauguration of Governor Asa S. Bushnell and to take part in the great Hanna mass meeting called by the Republican state central committee for this afternoon.

The entire police force of the city was on duty and was aided by many detectives from other places. Many members of the state militia were also present in arms and, in consequence, though there was intense excitement all morning, there were no serious clashes, nor did the trouble anticipated last week materialize.

To avoid possible conflict the inaugural parade, in which few except militiamen and friends of the anti-Hanna faction participated, was held shortly after noon and the Hanna mass meeting was postponed until 3 o'clock.

During the forenoon the state house was surrounded by crowds cheering for Bushnell. As it was impossible for the crowds to get inside the capital building, the governor was called out into the grounds, where he addressed the multitude and received in review one delegation after another. The first delegation to which the governor responded was from his home at Springfield, and included hundreds of workmen from Bushnell's shops, bearing written greetings of confidence in him.

These demonstrations continued till noon, when Governor Bushnell was escorted to the rotunda of the state house, where the decorations in floral designs and bunting were more elaborate than ever before. The members of the supreme court, legislature and all other state officers were provided with reserved seats and the crowds occupied all the space in windows, galleries, and everywhere, while the streets and state house grounds were crowded with shouters. A very small percentage could gain admission to the state house, but when cheers were heard inside the echo was taken up on the outside and the air was filled with loud responses.

The exercises in the rotunda were according to the usual programme. The oath of office was administered by Chief Justice Burkett, who was re-elected upon the ticket last November with Bushnell. The governor was given an unusual ovation when he first appeared upon the platform and again when he appeared to deliver his inaugural address. This was short and contained no reference to the contest for the Senatorship.

KANSAS MINE DISASTER.

Three Men Lose Their Lives From an Explosion at Cheepee.

PITTSBURG, Kan., Jan. 11.—Full particulars regarding the explosion at Cheepee Saturday night were not obtainable until yesterday about noon. The mine is badly damaged and the three men who were thought to be alive were taken out dead. They are: Sohn Possing, 29 years old, who leaves a wife and three small children; Charles Winters, single, 35 years old, the only support of an aged father and mother, and Antonio Weinberger, single. The true cause of the explosion is not known, nor can it be accounted for by the best experienced mine operators in the district. It was without doubt an explosion of dust created by the work of the shot firers. No. 5 is the largest shaft the Mt. Carmel company is operating, and this winter it has been working about 300 miners and is operating both day and night shifts. The explosion occurred between shifts and the results would have been almost a repetition of the famous Frontenac explosion.

LONDON TIMES ON SILVER.

Issues of the Last Campaign Must Be Fought Over Says the Newspaper.

LONDON, Jan. 11.—The Times this morning published dispatches from its New York correspondent, declaring that Bryanism is growing among the Democrats, that the Republican party is disintegrating because of President McKinley's alleged vacillation upon the money question, and that there will be a silver majority in the next House of Representatives.

Editorially, the Times says: "Clearly there will be a desperate fight a few months hence, to be renewed at the presidential contest of 1900, over the same issues which were supposed to have been settled by the election of Mr. McKinley."

He leaves a widow and two younger children.

THE HAWAIIAN TREATY UP.

Senate Considers Annexation—Long Debate on Pettigrew's Motion.

WASHINGTON, Jan. 11.—After the transaction of some routine business the senate, on motion of Mr. Davis, chairman of the foreign affairs committee, went into executive session to consider the Hawaiian treaty. A number of nominations were first confirmed and then debate on the treaty began.

Mr. Pettigrew first offered his motion to conduct the debate with open doors. This was antagonized by Mr. Davis, chairman of the committee on foreign relations, and others, and the principal portion of the debate for the first two hours was upon this motion. It was contended on the one hand that there was no reason for observing secrecy in presenting the question because there was no point involved which could not have been thoroughly canvassed before and which might not be discussed before the world at large. On the other hand, it was held that the Chinese question, which would necessarily enter into the discussion, might prove to be somewhat delicate, and that the debating of the treaty in open Senate would have the effect of prolonging the final determination indefinitely. A majority of those favoring open doors are opposed to ratification, but not all of them are on that side of the main controversy.

STRICKEN IN THE PULPIT.

Rev. Thomas E. Moore of Harper, Kan., Falls Dead During His Sermon.

HARPER, Kan., Jan. 11.—The Rev. Thomas E. Moore fell dead from an apoplectic stroke in the midst of his sermon at the Baptist church last night.

Mr. Moore was one of the five young men who, in 1865, originated the Salvation army in London, and was one of the first to start the crusade in this country. For many years he was closely associated with William Booth, and during his evangelical work he returned to England six times. He was educated in Spurgeon's Pastors' college in London. Until within five years his home had been in Brooklyn, and his labors had been mostly in the Eastern and Southern states and Canada.

Mr. Moore was called as pastor of the Baptist church here while conducting revival meetings in this vicinity a year ago. He had been active in the temperance campaign which resulted in closing the saloons and joints, and at the time of his death he was engaged in a successful union revival. He was 58 years old. He leaves a wife and four children.

SEMINOLES UP IN ARMS.

The Burning of Two Indians by Whites Acrossed Red Men—Pretensions.

MUSCOGEE, I. T., Jan. 11.—Leo E. Bennett, United States marshal of the Indian territory, received a message yesterday confirming the report that two Seminole Indians, accused of the brutal murder of Mrs. Mary Leard last week, had been burned at the stake by white Oklahomans Saturday and that the whites were after four more Indians.

Last night Dr. C. P. Linn, chief physician of the Seminole nation, telegraphed to D. M. Wisdom, Indian agent, and Marshal Bennett that the Seminoles were gathering with arms and that the situation was most serious. Linn gave the names of the burned Indians as Lincoln McIntiresey and Palmer Samson and declared that they belonged to influential Seminole families, every member of which was aroused to frenzy.

Marshal Bennett held a conference with United States Judge Springer and decided to send a number of his best men to the Seminole country. The Indian police under Captain J. W. Ellis have also been ordered to the scene.

TIED UP BY THE SHERIFF.

All of the "Katy" Property at Paola, Kan., Seized to Satisfy a Judgment.

PAOLA, Kan., Jan. 11.—All of the property of the Missouri, Kansas & Texas Railway company here, including three engines, is held under attachment by Sheriff Hamlin of Miami county in default of the payment of a judgment for \$5,000 against the company for the killing of Joseph P. Rowe in 1892. Rowe's administrator obtained judgment in the district court here in 1893 and the case has twice been in the supreme court and the judgment each time affirmed.

Sheriff Hamlin chained up the company's engines and took possession of its property. L. J. Fitzgerald, a conductor, and George W. Nealey and Charles M. Long, engineers, resisted the officers and are held on that charge. The passenger train on the Paola & Sedalia branch, due to leave here at 8 o'clock, did not go out this morning for lack of an engine and crew.

MARK A. HANNA WINS

HAS JUST ENOUGH VOTES TO ELECT HIM.

Cleveland's Mayor the Candidate of the Opposition—The Vote Stood: Hanna 73, McKisson 68, Scattering 3, Absent 1—Doubtful Ones in Line.

COLUMBUS, Ohio, Jan. 12.—Marcus A. Hanna received a total of 73 votes in both houses of the legislature today—56 in the house and 17 in the senate—and in the joint session tomorrow he will undoubtedly be declared elected United States Senator. The vote in the house was as follows:

For Hanna—Allen, Arbenz, Armstrong, Ashford, Baldwin, Beatty, Bell, Bennett, Bossard, Bowman, Boxwell, Beck, Brecount, Chapman, Clark, Clifford, Davies, Droste, Dutton, Griffith of Clinton, Griffith of

MARK A. HANNA.

Union, Hinsdale, Howard, Johnson, Joyce, Kemper, Lane, Leeper, Leland, Love, McCormick, McCurdy, McKinnon, Mannel, Mencham, Means, Morrow, Norris, Parker, Rankin of Clark, Rankin of Fayette, Redkey, Reynolds, Roberts, Shaw, Smith of Delaware, Smith of Adams, Snyder, Stewart of Clarke, Stewart of Mahoning, Strimple, Swingle, Taylor, Waddell.—Total, 56.

For McKisson—Adams, Adkins, Alger, Barlow, Booth, Bower, Braekett, Bramley, Cline, Connolly, Cox, Doran, Gayman, Goard, Hayden, Hater, Hull, Hayde, Hunter, Jones, Kempel, Ludwig, MacBroom, McCauley, McClintock, Magee, Melber, Monts, Niles, O'Neill, Otis, Payne, Piper, Powell, Ross, Rothe, Russell, Rytan, Schmidt, Scott, Smalley, Spellmyer, Stivers, Swain, Williams, Mason.—Total, 49.

Wiley, 1; Warner, 1; Lentz, 1. The senate vote resulted as follows: For Hanna—Alexander, Blake, Cable, Carpenter, Randall, Dodge, Gayfield, Lutz, May, Plummer, Riley, Sheppard, Sullivan, Voight, Wightman, Williams, Wolcott.—Total, 17.

For McKisson—Borelin, Burke, Cohen, Cromley, Decker, Doty, Finek, Harper, Jones, Kennon, Leet, Long, Miller, Mitchell, Nichols, Pugh, Robertson, Schaefer, Valentine.—Total, 13. It was just 11 o'clock when Senator Sullivan arose to nominate Senator Hanna. The vote in the senate for the long term stood 19 for McKisson and 17 for Hanna, the same as upon the ballot for the short term.

With the 17 in the senate and 56 in the house Hanna has just the requisite votes for his election with all present, but in the absence of Representative Cramer, Democrat, who is dangerously sick, Hanna has one to spare.

In the Senate chamber when the vote from the House was announced the Republican Senators stood up in their chairs and upon the floor and shouted themselves hoarse with calls for Hanna and victory. Nothing like it was ever seen in an Ohio senate chamber.

The cheering as the votes of Griffith of Union, Manuel of Montgomery, Joyce of Guernsey, Drost, Kemper and Lane of Hamilton were cast for Hanna was tremendous.

Otis desired to explain his vote, but was shut off under the rules and the ballot went on with cheers in the gallery for Hanna.

When the result of the ballot was announced as Hanna 56, McKisson 49, Warner 1, Wiley 1 and Lentz 1 there was considerable stir on the Democratic side.

Speaker Mason announced that Marcus A. Hanna, having received a majority of the votes of the house, was the choice of that body for the short term. The cheering outside the halls for Hanna was re-echoed in the ears of the members as the result was announced.

The ballot was then taken for the long term, and it resulted the same, its announcement being greeted with another long and loud demonstration. On both ballots Representative Cramer was absent, and there was thus only 108 cast, as follows: Hanna, 56; McKisson, 49; Wiley, 1; Warner, 1; Lentz, 1.

At 12:15 o'clock the house adjourned and the hall was used for a jollification meeting, with the crowd singing, "Praise God From Whom All Blessings Flow."

When the two houses adjourned there was a general stampede for the Neil house to congratulate Senator Hanna upon the result of the balloting today.

The Senate and House both adjourned until 10 o'clock tomorrow morning. A joint resolution was adopted to meet in joint convention at noon tomorrow to canvass the vote cast today for Senator. As McKisson had a majority of 2 in the Senate today and Hanna of 4 over all in the house, there was no election de jure, but there was a de facto election. There is nothing to prevent changes tomorrow from the votes of today, but none is expected as the canvass has been so close and thorough.

THE CIVIL SERVICE DEBATE

Field Day in the House For Opposition—Friends of the Law Few.

WASHINGTON, Jan. 12.—The opponents of the civil service law had much the best of the debate in the house yesterday, so far as the number of those engaging in it was concerned. Nine of the eleven speakers were of the opposition. The friends of the law are very anxious to shut off further debate, and in this will have the co-operation of Speaker Reed and the rules committee. Mr. Moody, who has charge of the bill, gave notice that he would test the sense of the house today on a motion to close debate. The opposition immediately sent word to all in their ranks to be on hand, and they say they will have no difficulty in defeating the motion. Those who participated in the debate were:

In opposition to the law—Messrs. Cooney, Democrat, Missouri; Door, Republican, West Virginia; Cox, Democrat, Tennessee; Little, Democrat, Arkansas; Brumm, Republican, Pennsylvania; Cowherd, Democrat, Missouri; Sulloway, Republican, New Hampshire; Low, Republican, New York; and in defense of the law, Messrs. McCall, Republican, Massachusetts, and Parker, Republican, New Jersey.

He left Circle City thirty-five days before in company with Herald Canovan of Ottawa, late of the coast survey. They started from Circle City without dogs, having been unable to secure them. They pulled their outfit on a sled. Mr. Miller brings a story of great suffering all along the river by parties caught in the ice on their way to Yukon. Similar action was taken at Providence and Pawtucket, R. I.; Lewiston, Me., and Fall River, Mass.
