Now if the council had the power and could condemn the old structure on the lot as unsafe and a nuisance and have it torn down that part of the street would look better. A one story brick with basement or even a two story brick on this corner we believe could be rented to advantage. Our new sheriff, Dell Wells had an unfortunate time of it on Tuesday last. He had started out on a trip and when a few miles north of town one of his horses dropped in the road. He unhitched the other animal and had led it but a short distance when it too went to earth. The horses had been eating sorghum cane which produced symptoms similar to paralysis. The horses were hauled into town and will most likely get over their sickness. This is an age of conventions, but nothing like the one to be held in the opera house on Friday evening, January 28th, has ever been held in this part of the country. In fact you will laugh and laugh again, and again, and still again for it will be funny. She now has a farm of a section and a half, 960 acres, and oversees the business management in person. Among other things she is now feeding 150 head of cattle for the spring market. Mrs. Baker is a widow but no stere box political whittler of a widower need expect to make any impression by trying to shine around that section and a half of land and the improvements.—Smith Center Pioneer.

Consumption Will SCOTT'S EMULSION cure consumption? Yes and no. Will it cure every case? No. What cases will it cure then? Those in their earlier stages, especially in young people. We make no exaggerated claims, but we have positive evidence that the early use of Scott's Emulsion of Cod-liver oil with Hypophosphites of Lime and Soda in these cases results in a positive cure to a large number. In advanced cases, however, where a cure is impossible, this well-known remedy should be relied upon to prolong life surprisingly. 50c. and \$1.00, all druggists. SCOTT & BOWNE, Chemists, New York.

Y. P. S. C. E. at 6:30 p. m. An Expensive Reminder. F. H. Joy of Odell was in the city Monday and the visit was by no means an inexpensive one. Some months since he held a chattel mortgage against Mr. Sisco for a claim of a little over seven dollars, which Sisco paid and requested Joy to release the mortgage, he agreeing to do so. Mr. Joy permitted the matter to slip his mind and failing to make the release laid himself liable to the payment of \$50 to Sisco, which amount the latter by his attorney, A. J. Hale, demanded. Joy consulted an attorney and finding that Sisco was upheld by the statutes of Nebraska in such cases made and provided, proceeded to compromise the matter by the payment of \$35. While Mr. Joy very naturally looked upon the matter as being in the nature of a "hold-up" he passed it off among his friends as a joke, but very discreetly paid a visit to the county clerk's office and scanned the records to make sure that he didn't owe any more fellows \$50 each. This item is published not so much to give publicity to Mr. Joy's discomfiture but to give other chattel mortgage holders a tip as to what their duty is along similar lines.—Beatrice Express. "Si Plunkard." The original Yankee comedy, J. C. Lewis' "Si Plunkard" company, will appear in this city at the opera house for one night, Monday, January 24th. This is the eleventh annual tour of this famous comedy. This season the comedy "Si Plunkard" has been put forward with all new features, introducing a full working threshing machine; a thrilling railroad scene; a locomotive and a train of cars 150 feet in length pass across the stage at lightning speed presenting all the sensational effects of a train of cars. The county fair scene, a realistic scene at a country fair and many other catchy novelties. "Si Plunkard" has been entirely re-written and re-constructed for the present season, presenting all new features and up to date novelties, and will be produced by a strong and efficient cast of comedy artists in an entirely new and novel line of specialties. During the action of the comedy the superb orchestra carried by the company will render the latest overtures during each act.
