READ THESE STARTLING FACTS

CLYDE, Kansas, February 1. To Whom It May Concern:

I hereby certify that a tape-worm over seventy-one feet in length, head and all complete, was removed by the Old Shaker Doctor this morning. He used the Shaker remedies only and removed the worm without my losing a single meal or suffering the least inconvenience or sickness.

The remedy was as pleasant to take as honey and produced the required result in an incredibly short time. I had suffered for years with obscure diseases and failed to be cured by regular doctors.

I was refused insurance on account of heart disease, which has proven to

caused by this tape worm. The Old Shaker Doctor told me in an instant what my trouble was, and, better still, he soon removed it.

I am very grateful for my cure and I heartily recommend the Shaker reme- reported. dies to all sufferers.

The Old Shaker Doctor gives a truthful and candid statement to each patient as to the exact condition of disease and as to curability, and his medicines do what he claims for them. TONY KRAHE.

The old Shaker doctor has the above described tape-worm on exhibition and is pleased to show it to anyone who is interested.

# A Shattered Nervous System.

FINALLY HEART TROUBLE.

EDWARD HARDY, the jolly manager of Sheppard Co's, great store at Braceville, Ill., writes: "I had never been sick a day in my life until in 1890. I got so bad with nervous prostration that I had to give up and commence to doctor. I tried our local physicians and one in Joliet, but none gave me any relief and I thought I was going to die. I became despondent and suffered untold agony. I could not eat, sleep nor rest, and it seemed as if I could not exist. At the end of six months I was reduced to but a shadow of myself, and at last my heart became affected and I was truly m sera sic. I took six or eight bottles of Dr. Miles' Nervine. It gave me relief from the start, and at last a cure, the great-
