

A Shattered Nervous System. FINALLY HEART TROUBLE.

Restored to Health by Dr. Miles' Nervine. M. R. EDWARD HARDY, the jolly manager of Sheppard Co's. great store at Braceville, Ill., writes: "I had never been sick a day in my life until 1890. I got so bad with nervous prostration that I had to give up and commence to doctor. I tried our local physicians and one in Joliet, but none gave me any relief and I thought I was going to die. I became despondent and suffered untold agony. I could not eat, sleep nor rest, and it seemed as if I could not exist. At the end of six months I was reduced to but a shadow of myself, and at last my heart became affected and I was truly miserable. I took six or eight bottles of Dr. Miles' Nervine. It gave me relief from the start, and at last a cure, the greatest blessing of my life."

There is more catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease, and prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Science has proven catarrh to be a constitutional disease, and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, O., is the only constitutional cure on the market. It is taken internally in doses from ten drops to a teaspoonful. It acts directly on the blood and mucous surfaces of the system. They offer one hundred dollars for any case it fails to cure. Send for circulars and testimonials. Address, F. J. CHENEY & CO., Toledo, O. Sold by druggists, 75c. Hall's Family Pills are the best. TO CURE A COLD IN ONE DAY Take Laxative Bromo Quinine Tablets. Fifty-Third Birthday Anniversary. After the severe weather following the storm on March 23d, the warmth of last Saturday was welcomed by everyone. Perhaps no one appreciated the brightness more than did C. C. Cox of Amboy, that day completing the three years added to the half century mark. So nice was the morning and bright the sunshine that his son easily persuaded him to accompany him to Red Cloud. Meanwhile at home his old neighbors, most of whom had endured with him the hardships of pioneer life, and saw him move from the log house into the comfortable home he now occupies, gathered to the number of fifty-five. On his return instead of the usual quiet farm scene, smiling faces met him wherever he looked. After many warm greetings promptly at 12:30 the guests surrounded the table groaning under the weight of good things that Mrs. Cox had prepared. The heartiness with which each one present partook of the dainty food showed how well Mrs. Cox understood the culinary art. After dinner the old familiar games of horseshoe and ball were indulged in. Mr. Darby and Walter Cox seemed to have the best of the horseshoe game while Mr. Miller and Mr. Sheldon were declared champion ball players. Those present were Mr. and Mrs. T. C. Hacker, Mr. and Mrs. J. M. Darby, Mr. and Mrs. Henry Sheldon, Mr. and Mrs. D. F. Trunkey, Mr. and Mrs. Decker, Mr. and Mrs. I. Frisbie, Mr. and Mrs. Law, Mr. and Mrs. G. W. Baker, Mr. and Mrs. Chas. Lewis, Mr. and Mrs. Wm. Hurd, Mr. and Mrs. T. Boren, Mr. and Mrs. S. Miller, Mr. and Mrs. G. A. Latta. All the children were there except Sidney Cox and wife who are in Denver, Colorado. The children present were Mrs. Carmody, daughter of Mrs. Cox, and family, Mr. E. M. Cox and family, and Mr. Walter Cox of McCook and Mr. Harvey Cox of Geneva. In the evening about sixty young people gathered in to finish the program of the day. The evening was passed very pleasantly. Music and games were the chief amusements. Several elegant and expensive presents were given. The surprise on Mr. Cox was total. The day will be one of the bright spots in the memory of old and young, and such as in after life will soothe many a care to think about.
