OSBORN STODDARD,
 Madison, New Jersey.

There is more catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease, and prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Science has proven catarrh to be a constitutional disease, and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, O., is the only constitutional cure on the market. It is taken internally in doses from ten drops to a teaspoonful. It acts directly on the blood and mucous surfaces of the system. They offer one hundred dollars for any case it fails to cure. Send for circulars and testimonials. Address:

 Hall's Family Pills are the best.

Suffered 20 Years.

MRS. MARY LEWIS, wife of a prominent farmer, and well known by all old residents near Belmont, N. Y., writes: "For twenty-seven years I had been a constant sufferer from nervous prostration, and paid large sums of money for doctors and advertised remedies without benefit. Three years ago my condition was alarming; the least noise would startle and unnerve me. I was unable to sleep, had a number of sinking spells and slowly grew worse. I began using Dr. Miles' Restorative Nerve and Nerve and Liver Pills. At first the medicine seemed to have no effect, but after taking a few bottles I began to notice a change; I rested better at night, my appetite began to improve and I rapidly grew better, until now I am as nearly restored to health as one of my age may expect. God bless Dr. Miles' Nerve."

Dr. Miles' Remedies are sold by all druggists under a positive guarantee, first bottle benefits or money refunded. Book on diseases of the heart and nerves free. Address, **DR. MILES MEDICAL CO., Elkhart, Ind.**

CANADA AS HIS EXEMPLAR.

Hon. P. S. Grosscup, Federal Judge, Circuit Court, recently said in an address:

"Canada is, in every practical feature of independence as well governed as if she acknowledged no allegiance to the British crown. She sends no representatives to the Parliament house on the Thames. Great Britain sends none to the Parliament house on the Ottawa. She pays no taxes into the British exchequer; she receives none from any people outside of her own boundaries. She is touched by no law relating to her trade, her development, or her liberty, except such as comes from her own legislative assemblies. She has her own internal affairs, stands sponsor for her own internal peace, and her own citizens, appointed by authorities, themselves of her own citizenship. In every syllable of her political constitution, in every square mile of her territory, she is absolutely a self-governed people. The British flag is her flag only by choice, the British crown her sovereign only in name."
