FINALLY HEART TROUBLE.
Restored to Health by Dr. Miles' Nerve.

M. EDWARD HARDY, the jolly manager of Sheppard Co's. great store at Braxtonville, Ill., writes: "I had never been sick a day in my life until 1896. I got so bad with nervous prostration that I had to give up and commence to doctor. I tried our local physicians and one in Joliet, but none gave me any relief and I thought I was going to die. I became despondent and suffered untold agony. I could not eat, sleep nor rest, and it seemed as if I could not exist. At the end of six months I was reduced to but a shadow of myself, and at last my heart became affected and I was truly miserable. I took six or eight bottles of Dr. Miles' Nerve. It gave me relief from the start, and at last a cure, the greatest blessing of my life."

Dr. Miles' Remedies are sold by all druggists under a positive guarantee, first bottle benefits or money refunded. Book on diseases of the heart and nerves free. Address:

Whooping Cough.

I had a little boy who was nearly dead from an attack of whooping cough. My neighbors recommended Chamberlain's cough remedy. I did not think that any medicine would help him, but after giving him a few doses of that remedy I noticed an improvement, and one bottle cured him entirely. It is the best cough medicine I ever had in the house.—**J. L. MOORE,** South Burgetstown, Pa. For sale by H. E. Grice.

Music on the Graphophone.

Few people appreciate the marvelous power of the Graphophone as an entertainer. It is an instrument which, though it costs much less than the least expensive musical instrument, will enable its owner to have at pleasure music of any kind—from that of the bagpipe to that of the grand military band. It reproduces vocal selections and gives one command of every pleasure that appeals to the sense of hearing. No investment pays such large returns in pleasure. Besides reproducing the musical and other records made for entertainment purposes, the Graphophone will record immediately and reproduce at once and as often as is desired, your own words or song, or any sound. By writing to the Columbia Phonograph Company, 720-722 Olive St., St. Louis, Mo., you can obtain a catalogue which will give full information as to prices of Graphophone outfits.

Kidney and Bladder Troubles.

If you suffer from kidney, bladder or urinary troubles, or from too frequent or scanty urine, Dr. Fenner's Kidney and Backache Cure is what you want. If not satisfied after using one bottle your money will be refunded by C. L. Cotting.

Klondike.

What does it cost to get there? When and how should you go? What should one take? Where are the mines? How much have they produced? Is work plentiful? What wages are paid? Is living expensive? What are one's chances of "making a strike"?

Complete and satisfactory replies to the above questions will be found in the Burlington Route's "Klondike Folder," now ready for distribution. Sixteen pages of practical information and an up-to-date map of Alaska and the Klondike. Free at Burlington Route ticket offices, or sent on receipt of four cents in stamps by J. Francis, Gen'l Passenger Agent, Burlington Route, Omaha, Nebr.

Liver Complaints and Nervousness

A torpid liver always produces dizziness, irritability, etc. You are all clogged up and feel despondent. If not satisfied after using one bottle your money will be refunded by C. L. Cotting.
