I was seriously afflicted with a cough for several years, and last fall had a more severe cough than ever before. I have used many remedies without receiving much relief, and being recommended to try a bottle of Chamberlain's Cough Remedy by a friend, who, knowing me to be a poor widow, gave it to me. I tried it, and with the most gratifying results. The first bottle relieved me very much and the second bottle has absolutely cured me. I give this certificate without solicitation, simply in appreciation of the gratitude felt for the cure effected. Respectfully MRS. MARY A. BEARD, Claremore, Ark. For sale by H. E. Grice.

LINE.

Good growing weather. Small grain looks fine. Some of the farmers will soon have plenty of new potatoes. Corn pretty weedy, but with good attention a cultivator will get all the weeds killed. John Fox and family were guests of Wm. Edgerton Sunday. J. J. Haskins, while on his way to his new home met with quite a serious accident. His team got frightened and ran away, upsetting the buggy and throwing him and his wife underneath it. They were seriously hurt. Mr. Walker of Red Cloud was in Line one day last week in the interest of the Fairfield, Nebraska, Insurance company. Mrs. Albert Keagle is up again after a serious spell of sickness. Ted Haskins shelled his corn just in time to get it wet. He sold it for 20¢ a bushel. Mr. Martindale is the only gardener we have in Line this year. He has some fine onions. E. W. Anderson was the guest of Harvey Merrill Sunday. Milton Guthrie writes that he has got a good claim in Oklahoma and crops look fine. He says there is plenty of claims yet to be taken.

Bad management keeps more people in poor circumstances than any other one cause. To be successful one must look ahead and plan ahead so that when a favorable opportunity presents itself he is ready to take advantage of it. A little forethought will also save much expense and valuable time. A prudent and careful man will keep a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy in the house, the shiftless fellow will wait until necessity compels it and then ruin his best horse going for a doctor and have a big doctor bill to pay, besides; one pays out 25 cents; the other is out one hundred dollars and then wonders why his neighbor is getting richer while he is getting poorer. For sale by H. E. Grice.

NINE-TENTHS of all the pain and sickness from which women suffer is caused by weakness or derangement in the organs of menstruation. Nearly always when a woman is not well these organs are affected. But when they are strong and healthy a woman is very seldom sick.

They are all benefited by it.

For advice in cases requiring special directions, address, giving symptoms, the Ladies' Advisory Department, The Chattanooga Medicine Co., Chattanooga, Tenn.

THOS. J. COOPER, Tupelo, Miss., says: "My sister suffered from very irregular and painful menstruation and doctors could not relieve her. Mine of Cardui entirely cured her and also helped my mother through the Change of Life."
