

# Rheumatism

Rheumatic pains are the cries of protest and distress from tortured muscles, aching joints and excited nerves. The blood has been poisoned by the accumulation of waste matter in the system, and can no longer supply the pure and health sustaining food they require. The whole system feels the effect of this acid poison; and not until the blood has been purified and brought back to a healthy condition will the aches and pains cease.

Mrs. James Kell, of 707 Ninth Street, N. E., Washington, D. C., writes as follows: "A few months ago I had an attack of Sclerotic Rheumatism in its worst form. The pain was so intense that I became completely prostrated. The attack was an unusually severe one, and my condition was regarded as being very dangerous. I was attended by one of the most able doctors in Washington, who is also a member of the faculty of a leading medical college here. He told me to continue his prescriptions and I would get well. After having filled twelve times without receiving the slightest benefit, I declined to continue his treatment any longer. Having heard of S. S. S. (Swift's Specific) recommended for Rheumatism, I decided, almost in despair however, to give the medicine a trial, and after I had taken a few bottles I was able to hobble around on crutches, and very soon thereafter had no use for them at all. S. S. S. having cured me sound and well. All the distressing pains have left me, my appetite has returned, and I am happy to be again restored to perfect health."

**SSS** the great vegetable purifier and tonic, is the ideal remedy in all rheumatic troubles. There are no opiates or minerals in it to disturb the digestion and lead to ruinous habits.

We have prepared a special book on Rheumatism which every sufferer from this painful disease should read. It is the most complete and interesting book of the kind in existence. It will be sent free to any one desiring it. Write our physicians fully and freely about your case. We make no charge for medical advice.

### OUR CANDIDATES.

The republican party of this county brings out for the support of the voters this fall an ideal ticket, every man of which and also the lady—as we have a lady on the ticket—are worthy of support and will stand the scrutiny of the severest of critics. In all campaigns it is proper, if possible, to see and talk with prospective candidates, size them up and see if they are eligible. Don't take the word of a member of the opposition who seeks the defeat of the candidate by fair means or foul. The republicans have in the field a ticket of which they are not ashamed and one that will bear the minutest inspection as to ability and good citizenship. Ability is what is wanted in officers of the county. Look them over, talk with them and you will vote for the republican candidates in November.

FOR TREASURER—C. F. CATHER.  
The nominee for treasurer, Charles F. Cather, as the saying goes, needs no introduction, as he has been a resident of this county for so long a period that he can be counted among the old settlers. Mr. Cather has in the past held minor offices in county and city and is at the present time a member of the city board of education. The office of treasurer is the most important one in

the county. What the people elect the treasurer for is to collect taxes and endeavor to keep the financial interests of the county up to the highest notch. A pleasant handshake, a smile, and you scratch my back and I'll scratch yours, idea, went go. This office needs firmness with no favoritism. The present republican incumbent now has the affairs of his office in the best shape in the history of the county and we believe if elected, Mr. Cather will follow as near as possible in his footsteps. Mr. Cather has the ability and will make a pleasant official to do business with.

FOR CLERK—E. S. GARBNER.  
For clerk, Mr. E. S. Garber seeks your votes, and if you honor him with the same we believe you will never regret it. Mr. Garber is a native of Iowa, but most of his life, or for a least 31 years has been passed in and around Guide Rock where he now resides. As an old settler, while yet comparatively a young man, he ranks with the oldest. The best endorsement any young man can have is that no word against him in any particular comes from the home town and the vicinity in which he has spent so many years of his life. In the convention which nominated him the precincts contiguous to his home were a unit in his support. His capability for attending to the duties of the office to which he aspires are well known. The opposition will hunt in vain for a flaw either as to his honesty, character or fitness for the position which he seeks. His popularity, coupled with his unassumed good nature and pleasantness should make him a winner at the coming election. His home town and neighbor precincts have only words of commendation for him and why should not you.

FOR JUDGE—G. R. CHANEY.  
The importance of an office, that of county judge, has been lost sight of in the general scramble and effort to land the other offices. This office is sought for by G. R. Chaney. This is an office which should have as a presiding officer a man well versed in the law. Too many petty cases are taken on appeal to the district court on account of the fact that the lawyers and their clients are not satisfied to let their cases, where a point of law is to be decided, go to decision before men who know no more of the law than the clients do themselves. No matter on which side the favorable decision is given the other will take an appeal under existing circumstances. It would be just as proper to put a harvest hand in a drug store to compound drugs. Brains of the law is a special requirement in this office. It is conceded by all lawyers that Mr. Chaney knows the law having had practice in all the courts. Why not elect a judge who will be a judge in learning as well as in name.

FOR SHERIFF—O. D. HEDGE.  
When any one speaks of Oliver Hedge every one knows him around this portion of the county. Oliver is our candidate for sheriff and if the votes of his friends count for anything he will be sheriff after January 1st. He is a farmer and has resided in Red Cloud township for many years. This office is a peculiar one as to qualifications of what goes to make a good officer but we believe that in this instance if elected to the office he will fill the position with signal success. He is built on an order which will gain for him the respect of evil-doers and at the same time he is gifted with enough discretion, tact and pleasant manner where these adjuncts are the better part of valor. He is a man of good character and habits and has a host of friends who will bear out our remarks.

FOR Supt.—MRS. E. J. CASE  
There is very little use for us to make any remarks at length in regard to the qualifications of Mrs. E. J. Case our candidate for superintendent. She is so well known throughout the county and her record has been so good and satisfactory during the time she has been in this position that the mere fact that she is on the ticket is sufficient to please the patrons of our schools and insure her election.

FOR CORONER—T. R. HALL  
For coroner Dr. T. R. Hall of Pleasant Hill is the republican candidate. As the use for coroner is limited in this county there will be no very heated contest for the position but Dr. Hall if elected will fill the office with grace.  
FOR SURVEYOR—W. E. THORNE  
W. E. Thorne of Glenwood precinct is the nominee for surveyor. This is another office where the call for the services of a surveyor are so few that no spirited contest will be made.

FOR COMMISSIONERS.  
For commissioners we have for candidates, E. Britler, in the first district, W. F. Renkel in the third and W. Richards, in the 5th. We are personally acquainted with Mr. Britler and Mr. Renkel and know them to be men of honesty and good business ability and if the people of their districts elect them the county's welfare will be well looked after. As the fifth district has always put up a good man we suppose they have made no exception to the rule this time.

We, the jury, find that the deceased came to his death from heart failure, caused by not taking Rocky Mountain Tea made by Madison Medicine Co. 35c. C. L. Cotting.

## THE POISE

Of a woman in perfect health attracts the eye at once. Such a woman is all too rarely seen. The most of women bear scars of suffering on their faces which no smiles can hide, and often in their very carriage betray the womanly weakness which oppresses them.

There can be no perfect health for the woman who suffers from disease of the delicate womanly organs that these must be cured before the general health can be established.

Dr. Pierce's Favorite Prescription makes weak women strong and sick women well. It cures womanly disorders and diseases; brightens the dull eye, rounds out the hollow cheek and gives strength for wifely duties and maternal cares.

"My health is the best now that it has been for four years," writes Mrs. Phebe Morris, of Ira, Cayuga Co., N. Y., Box 12. "I have taken but two bottles of your medicine, 'Favorite Prescription' and 'Golden Medical Discovery.' These medicines have done me more good than all that I have ever taken before. I couldn't do my work only about half the time, and now I can work all the time for a family of four. Before I took your medicine I was sick in bed nearly half the time. My advice to all who are troubled with female weakness is to take Dr. Pierce's Favorite Prescription and 'Golden Medical Discovery'—the most wonderful medicines in the world."

Dr. Pierce's Common Sense Medical Adviser is sent free on receipt of 21 one-cent stamps to pay expense of mailing only. Address Dr. R. V. Pierce, Buffalo, N. Y.

### A WORTHY SUCCESSOR

"Something New Under The Sun."  
All Doctors have tried to cure Catarrh by the use of powders, acid gases, inhalers, and drugs in paste form. Their powders dry up the mucous membranes causing them to crack open and bleed. The powerful acids used in the inhalers have entirely eaten away the same membranes that their makers have aimed to cure, while pastes and ointments cannot reach the disease. An old and experienced practitioner who has for many years made a close study and speciality of the treatment of Catarrh, has at last perfected a treatment which when faithfully used, not only relieves at once, but permanently cures Catarrh by removing the cause, stopping the discharges, and curing all inflammation. It is the only remedy known to science that actually reaches the inflamed parts. This wonderful remedy is known as Snuffles' the Guaranteed Catarrh Cure' and is sold at the extremely low price of One Dollar, each package containing internal and external medicine sufficient for a full month's treatment and everything necessary to its perfect use.

"Snuffles" is the only perfect Catarrh Cure ever made and is now recognized as the only safe and positive cure for that annoying and disgusting disease. It cures all inflammation quickly and permanently and is also wonderfully quick to relieve Hay Fever or cold in the head. Catarrh when neglected often leads to Consumption—"Snuffles" will save you if you use it at once. It is no ordinary remedy, but a complete treatment which is positively guaranteed to cure Catarrh in any form or stage if used according to directions which accompany each package. Don't delay but send for it at once, and write full particulars as to your condition, and you will receive special advice from the discoverer of this wonderful remedy regarding your case without cost to you beyond the regular price of "Snuffles" the "Guaranteed Catarrh Cure."

Sent prepaid to any address in the United States or Canada on receipt of One Dollar. Address Dept. A 402, Edwin B. Giles & Company, 2330 and 2332 Market Street, Philadelphia.

Beware of Ointments for Catarrh That Contain Mercury as mercury will surely destroy the sense of smell and completely derange the whole system when entering it through the mucous surfaces. Such articles should never be used except on prescriptions from reputable physicians, as the damage they do is ten fold the good you can possibly derive from them. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, O., contains no mercury, and is taken internally, acting directly upon the blood and mucous surfaces of the system. In buying Hall's Catarrh Cure be sure and get the genuine. It is taken internally, and made in Toledo, O., by F. J. Cheney & Co. Testimonials free.  
Sold by druggists, price 75c bottle. Hall's Family Pills are the base.

## Children's Fertilizer.

That's a good name for Scott's Emulsion. Children are like young plants. Some will grow in ordinary soil. Others need fertilizers.

The nature of some children prevents them from thriving on ordinary food. Such children grow right if treated right.

All they need is a little fertilizer—a little extra richness. Scott's Emulsion is the right treatment.

Fertilizers make things grow. That's just what Scott's Emulsion does. It makes children grow in flesh, grow in strength, grow rich blood, grow in mind, grow happy. That's what we make it for.
