

Every woman in the country ought to know about

Mother's Friend

Those who do know about it wonder how they ever got along without it. It has robbed childbirth of its terrors for many a young wife. It has preserved her girlish figure and saved her much suffering. It is an external liniment and carries with it therefore, absolutely no danger of upsetting the system as drugs taken internally are apt to do. It is to be rubbed into the abdomen to soften and strengthen the muscles which are to bear the strain. This means much less pain. It also prevents morning sickness and all of the other discomforts of pregnancy.

A druggist of Macon, Ga., says: "I have sold a large quantity of Mother's Friend and have never known an instance where it has failed to produce the good results claimed for it."

A prominent lady of Lambert, Ark., writes: "With my first six children I was in labor from 24 to 30 hours. After using Mother's Friend, my seventh was born in 4 hours."

Obituary.

General Harrison Sanderson was born in Buffalo, New York, July 19th, 1845. He removed with his parents to the state of Illinois when quite young. At the commencement of the war of the rebellion he enlisted in Company B, 138th Illinois Vol. Infantry, at the age of 17 years, remaining in the service three years. After being mustered out he made his home at Knoxville, Illinois. He was married two years later to Mary A. Gossett, of which union ten children were born to them, of which six children and the mother survive him. In the year 1880 he came to Nebraska locating on a farm near Red Cloud, and has since been a resident of Webster county. General Harrison Sanderson died November 18th, 1901, aged 56 years and four months. Funeral services were held at 11 a. m. Tuesday, Nov. 19th at Ash creek M. E. church conducted by Rev. G. W. Hummel of Blue Hill. A large concourse of sorrowing friends and neighbors were in attendance. The body was laid to rest in the Wagoner cemetery. Thus we see the ranks of the old soldiers growing thin. One by one they are going down the valley with their faces turned toward the setting of the sun.

The North Platte Valley in northwest Nebraska, offers some wonderfully good opportunities to the man or woman with a little money to invest in irrigated lands. Excellent irrigated land can be had now for \$12 to \$15 an acre, but it is plain to those watching the development of the North Platte Valley that this low price is just about to fade away. The farmers of this valley are now reaping an abundant harvest. Alfalfa, corn, wheat and garden vegetables yield good profits. There are also good openings in the live stock business. If you're interested in the North Platte Valley, write for our booklet describing it. It is free.—J. FRANCIS, G. P. A. Burlington Route, Omaha, Nebr.

THE HOME GOLD CURE.

An Ingenious Treatment by which Drunkards are Being Cured Daily in Spite of Themselves.

No Noxious Doses No Weakening of the Nerves A Pleasant and Positive Cure for the Liquor Habit.

It is now generally known and understood that Drunkenness is a disease and not weakness. A body filled with poison, and nerves completely shattered by periodical or constant use of intoxicating liquors, requires an antidote capable of neutralizing and eradicating this poison, and destroying the craving for intoxicants. Sufferers may now cure themselves at home without publicity or loss of time from business by this wonderful "Home Gold Cure," which has been perfected after many years of close study and treatment of inebriates. The faithful use according to directions of this wonderful discovery is positively guaranteed to cure the most obstinate case, no matter how hard a drinker. Our records show the marvelous transformation of thousands of Drunkards into sober, industrious and upright men.

Wives cure your husbands! Children cure your fathers! This remedy is in no sense a nostrum but is a specifically devised and prepared that it is thoroughly soluble and pleasant to the taste, so that it can be given in a cup of tea or coffee without the knowledge of the person taking it. Thousands of Drunkards have cured themselves with this priceless remedy, and as many more have been cured and made temperate men by having the "Cure" administered by loving friends and relatives without their knowledge in coffee or tea, and believe today that they discontinued drinking of their own free will. Do not wait. Do not be deluded by apparent and misleading "improvement." Drive out the disease at once and for all time. "The Home Gold Cure" is sold at the extremely low price of One Dollar, thus placing within the reach of everybody a treatment more effective than others costing \$25 to \$50. Full directions accompany each package. Special advice by skilled physicians when requested without extra charge. Sent prepaid to any part of the world on receipt of One Dollar. Address Dept. (Benson's Plaster is Pain's Master.)

These are days of records and of the beating of records. Benson's Porous Plaster, for quickness of action and thoroughness of cure, has no records to beat except its own. Benson's Plaster, always the best, always the leader, is to-day better than ever. It sticks to the skin but never sticks in its tracks. It marches on.

The people not only want to be cured but cured quickly—and Benson's Plaster does it. Coughs, colds, lumbago, asthma, bronchitis, liver and kidney complaints, and other ills approachable by an external remedy, yield to Benson's as ice does to heat.

Neither Belladonna, Strengthening or Capsicum plasters are to be compared with Benson's. People who have once tested the merits of Benson's Plaster have no use for any other external remedy.

More than 5,000 physicians and druggists (and a thousand times as many non-professional persons) have called Benson's Plaster one of the few (1) home remedies that can be trusted.

Fifty-five highest awards have been made to it in competition with the best known plasters of Europe and America. Better proof of its merits is inconceivable. Be sure to get the genuine.

For sale by all druggists, or we will prepay postage on any number ordered in the United States, on receipt of 25c. each. Seabury & Johnson, Mfg. Chemists, N. Y.
