All the blood in your body passes through your kidneys once every three minutes.

The kidneys are your blood purifiers, they filter out the waste or impurities in the blood.

of order, they fall to do their work. Pains, aches and rheumatism come from excess of uric acid in the blood, due to neglected

kidney trouble.

Kidney trouble causes quick or unsteady heart beats, and makes one feel as though they had heart trouble, because the heart is over-working in pumping thick, kidney-poisoned blood through veins and arteries.

It used to be considered that only urinary troubles were to be traced to the kidneys, but now modern science proves that nearly all constitutional diseases have their begin-

ning in kidney trouble.

If you are sick you can make no mistake by first doctoring your kidneys. The mild and the extraordinary effect of Dr. Kilmer's Swamp-Root, the great kidney remedy is soon realized. It stands the highest for its wonderful cures of the most distressing cases and is sold on its merits

by all druggists in fifty-cent and one-dollar sizes. You may have a sample bottle by mail Home of Swamp Root. free, also pamphlet telling you how to find out if you have kidney or bladder trouble. Mention this paper when writing Dr. Kilmer & Co., Binghamton, N. Y.

THEY CRUSH THE POWERS

This is written in mid-October. The long, eppressive summer is quite gone. Fading leaf, withering tree and the rustling corn is the fields are signs of the season. Fog, frost, rain, snow,—they are coming. You remember last winter; of 1900 and 1901. The weather was cruel. Ah! the thousands it hilled, and the hundreds of thousands it maimed and crippled. Oh, the rough grasp it laid on men at work, women at home, and children in cribs and cradles. Coughs that began before Thanksgiving at home, and children in cribs and cradies. Coughs that began before Thanksgiving Day are racking and tearing them still; yes, and growing worse as they dig deeper into the poor, tired throat and lungs. Many were cured by using Benson's Porous Plasters. For the soothing and healing power of these Plasters is wonderful. They construct the complaints quer the complaints

THAT ARE KILLING THE PEOPLE.

No other plaster, no other medicine or application, can compare with them. Coughs, colds, backache, rheumatism, lumbago, kidney and liver troubles, asthma, influenza,—they all go down before Benson's Plasters like a snow image in the sun. You can't throw money away on a Benson's Plaster. Everybody is going to use them this season. But make certain you get the genuine. All druggists, or we will prepay postage on any number ordered in the United States on receipt of 25c. each.
