"Truth is Mighty and Will Prevail."

An epidemic of sales has corrupted the Clothing business. The sham has grown with years until the effrontery blazons itself on every side. Coats, Suits and Trousers are marked double their value and then reduced to half! If some advertisers were compelled to establish the truth of their statements it would ruin many of them, since it would force them to be honest. It is easy to distinguish between our values and false ones. That's what has made our great business. How else could we sell more clothing than any other store in town? People buy where they get the most for the money and are certain of satisfaction. The success of a store depends upon what it does, not what it promises to do. More Men's, Boys' and Children's Suits, Overcoats, Underwear, Shoes and Hats in this store than in any other Clothing Store in Southern Nebraska.

The Red Cloud foot-ball team has arranged for a game of football with the strong Smith Center, Kan., team one week from tomorrow. We dislike to dun anyone, but there are subscribers on our list who owe considerable on back subscription, which they are amply able to pay. We need the money, and if we can't get it by coaxing, we will be compelled to try other means. There is no excuse for the majority of people, in these prosperous times, allowing these small debts to accumulate. If the paper is not worth the price, pay up your arrearages and stop it. H. P. Sower, who has been in the merchant tailoring business in Red Cloud for several years, has disposed of his business interests to Mr. Will Shouse, who will take possession the first of next month.
