The company, he says, has made money every year until 1905 and the present situation is due to the poor quality of last year's crop.

Bode's Firm Assigns Stock.

Falls City, Neb., May 14.—E. O. Bode & Sons assigned their entire stock to trustees for the benefit of creditors, representing \$15,000 of debts. The stock is valued at about \$14,000 and will not begin to pay out. There are more creditors to hear from. This condition of the store developed after the report of the expert accountants showed that City Treasurer E. O. Bode, a member of the firm of E. Bode & Sons, was short in the city and school funds \$12,000. The action taken by the creditors will result in throwing the entire loss of the city funds upon the bondsmen of Bode.

Fairbury, Neb., May 14.—Sidney Mackey, former county commissioner, committed suicide after killing his wife. He was living on his farm near Reynolds, where he had resided for thirty-five years. Friday he took his meals at his son's house, near his home, and said his wife had gone to Council Bluffs to visit relatives. The next morning his body was found on the floor of his house with a pistol in his hand and further investigation disclosed the body of Mrs. Mackey in an adjacent room, with a bouquet of flowers in her hand. Evidently she had been killed twenty-four hours before Mackey killed himself.

BRUTALITY AT ASYLUM.

Three Deaths Alleged to Have Resulted From Assaults of Attendants.
Lincoln, May 15.—According to charges filed with Governor Mickey, three deaths have result in the Norfolk asylum for the insane from the

assaults of attendants. L. W. Wolfe, an employe, wrote a detailed letter, giving the names and dates of assailants and assaults. His letter is said to be substantiated in part by Dr. Frank S. Nicholson, assistant superintendent. In addition charges of mismanagement and incompetency are lodged against Superintendent Alden. He answers with a countercharge against Nicholson. Governor Mickey prepared charges accusing both officers of incompetency and inharmony. Attorneys for Dr. Alden and Dr. Nicholson appeared before the governor last night and cited statutory provisions for a hearing by the board of public lands and buildings. The matter was referred to the legal department by the governor, and Deputy Attorney General Thompson will report in a few days. It is practically settled that the matter will come before the state board, witnesses will be examined and the whole affair probed.

FOR BARN BURNING.

Elmer Higerbaugh of Superior Arrested for Setting Fire to Two Barns.
Superior, Neb., May 12.—Elmer Higerbaugh was arrested, charged with setting fire to barns owned by Robert Guthrie and August Schmelling.

Higerbaugh was discovered at the river fishing in the vicinity of Schmelling's barn. He formerly worked for Guthrie and had been discharged. He had made threats of getting even with Guthrie and after Guthrie's barn was burned a week ago Schmelling was among those who collected some pretty strong evidence

against him in connection with that fire. The Beatrice bloodhounds were taken to the burned barn and given a sniff of one of Higerbaugh's shoes. They took up a trail from the barn to the river, where Higerbaugh was arrested, and from there to the city hall and to the cell which Higerbaugh occupies.

GRAIN CASE PRACTICALLY ENDS.

Attorneys Conclude Arguments and Leave Matter in Hands of Referee.
Lincoln, May 12.—Referee Pemberton will decide on the evidence in the anti-trust grain suits and report to the supreme court. The attorneys concluded their arguments and the litigation is practically ended.

Attorney Courtright, Attorney Hall and a number of others made arguments. In general they challenged the evidence and sought to discredit the witnesses. All sought to have the litigation brought under the Junkin law.

Judge Sullivan argued that the grain men entered into a conspiracy and abetted the actions of the association with their services as individuals. All were guilty, and there was no misjoinder of issues or injustice in the prosecution. W. J. Courtright of Fremont, attorney for the Nye-Schneider-Fowler company, maintained that the grain association had been dissolved by withdrawal of its members before the Junkin act went into effect, and that therefore the law could not avail.

KILLED BY A BOMB

POLICE CAPTAIN AND THREE OTHERS KILLED AT WARSAW.

Captain Constantinoff Torn to Pieces and Seven Persons Injured by Explosion—Three Slain and Eleven Wounded by Soldiers.

Warsaw, May 15.—While Police Captain Constantinoff was standing in Marszalkowske street with two policemen and four soldiers, a young man threw a bomb into the group. The assassin tried to escape and firing his revolver, wounded a soldier. The other soldiers replied with a volley, killing the assassin and two other persons. The soldiers then attacked the people who had gathered with their bayonets and the butts of their guns, wounding eleven persons, making a total of four killed and nineteen wounded.

The terrorists have sought Captain Constantinoff's life since May day of last year, when he ordered the soldiers to fire on a procession of socialists, causing the death of thirty persons.

ADMIRAL KUZMICH SLAIN.

Commander of Port of St. Petersburg Thrust Through With Dagger.

St. Petersburg, May 15.—Admiral Kuzmich, commander of the port, who was very unpopular with the workmen, was assassinated here by workmen whose May day demonstration he had attempted to stop. The admiral was killed at the new admiralty works, a government institution where most of the 2,000 men employed reported for duty.

They wanted immediately to march out in a body and celebrate the Russian May day, but finally agreed to work until 2 o'clock in the afternoon. The admiral, however, made a speech to the men, saying he could not agree to their leaving work at 2 o'clock, and the matter was left open.

At about 9:30 a. m., according to an officer who was at the gate of the works, the admiral was emerging from a small shop in the works when a workman, who had been concealed around the corner of the building, leaped on Kuzmich from behind and drove a long dagger into his back. The admiral fell forward on his face, which was badly cut by stones, and died immediately. The assassin fled into a large forge, where he was lost among the men employed there. The works were promptly surrounded by troops and police, but the search for the murderer was unavailing.

Carl Schurz Passes Away.

Women as Well as Men Are Made Miserable by Kidney and Bladder Trouble.

Kidney trouble preys upon the mind, discourages and lessens ambition; beauty, vigor and cheerfulness soon disappear when the kidneys are out of order or diseased.

Kidney trouble has become so prevalent that it is not uncommon for a child to be born afflicted with weak kidneys. If the child urinates too often, if the urine scalds the flesh, or if, when the child reaches an age when it should be able to control the passage, it is yet afflicted with bed-wetting, depend upon it, the cause of the difficulty is kidney trouble, and the first step should be towards the treatment of these important organs. This unpleasant trouble is due to a diseased condition of the kidneys and bladder and not to a habit as most people suppose.

Women as well as men are made miserable with kidney and bladder trouble, and both need the same great remedy. The mild and the immediate effect of **Swamp-Root** is soon realized. It is sold by druggists, in fifty-cent and one-dollar size bottles. You may have a sample bottle by mail free, also a Home of Swamp-Root pamphlet telling all about Swamp-Root, including many of the thousands of testimonial letters received from sufferers cured. In writing Dr. Kilmer & Co., Binghamton, N. Y., be sure and mention this paper. Don't make any mistake, but remember the name, Swamp-Root, Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y., on every bottle.
