

The Jar of Coughing

Hammer blows, steadily applied, break the hardest rock. Coughing, day after day, jars and tears the throat and lungs until the healthy tissues give way. Ayer's Cherry Pectoral stops the coughing, and heals the torn membranes.

"I always keep Ayer's Cherry Pectoral in the house. It gives perfect relief whenever any of us have coughs or hard colds. I have used it for a great many years and so know all about it."—Mrs. MARY GIBBES, Varysburg, N. Y.

Sir Richard Tangye.

In our last issue we erroneously stated that the late Lord Scully was a cousin of Mrs. W. N. Richardson of this city. Sir Richard Tangye, who died at about the same time as Lord Scully, was the cousin of Mrs. Richardson, and we became confused in the names. The last issue of the Scientific American has the following brief sketch of Sir Richard:

"Sir Richard Tangye, head of the engineering firm of Tangyes, died on October 14. He was born in 1833. Tangyes have establishments in London, Birmingham, Johannesburg, Sidney, and other cities. Sir Richard, with his brother, George Tangye, founded the Birmingham Art Gallery and Municipal School of Art. His hobby was the collection of manuscripts, books and other relics of the period of Cromwell and the Commonwealth. He wrote several books, including 'Reminiscences of Travel in Australia, America and Egypt,' 'The Growth of a Great Industry,' and 'The Two Protectors.' He owned estates in Surrey and Cornwall."

A cold taken at this time of the year is generally hard to get rid of but it will not be able to withstand Bee's Laxative Honey and Tar. That will cure all colds, coughs, croup, whooping cough, etc., by driving them out through the bowels. If you have a cold, try it, and if not cured get your money back. No opiates. Sold at Henry Cook's drug store.

Damaged by Fire.

Shortly after noon Tuesday the residence formerly occupied by Allen Carpenter, on South Cedar street, and which was recently purchased by O. R. Boyce of Cowles, was discovered to be on fire. Prompt response to the alarm by the volunteer firemen prevented the destruction of the building. The roof and part of the walls were badly damaged. There was but one hydrant within reaching distance of the burning building, and the firemen were badly handicapped. The house was vacant and was being repaired, the men working on the building having left it but a few minutes before the fire broke out. It is not known how the fire started.

Bee's Laxative Honey and Tar the original laxative cough syrup acts as a cathartic on the bowels. It is made from the tar gathered from the pine trees of our own country, therefore is the best for children. It is good for coughs, colds, croup, whooping cough, etc. Try our free offer. Sold at Henry Cook's drug store.

Plan to Rob Bank.

A story comes from Lebanon that three young men of that place had planned to rob the First National Bank of Lebanon, Wednesday. One of them was to shoot the cashier, while the others guarded the entrance. However, the boy who was to do the shooting lost courage, and parties who saw him walking past the bank several times and peering in had their suspicions aroused and caused his arrest. He weakened and gave the whole thing away, and was taken to Smith Center, where he was placed in jail. The other two boys were not arrested. We were unable to learn their names.

It is a well known medical fact that pine resin is most effective in the treatment of diseases of the bladder and kidneys. Sufferers from back ache and other troubles due to faulty action of the kidneys find relief in the use of Pine-ules. \$1 buys 30 days treatment. Sold at Henry Cook's drug store.
