\$5,000 FINE FOR STANDARD OIL

Must Also Pay Costs of Prosecution for Operating in Restraint of Trade.

Findlay, O., Oct. 30.—In probate court here Judge Banker overruled the motion filed by the attorneys of the Standard Oil company for a new trial and imposed a fine of \$5,000 and costs of the prosecution in the recent suit against the Standard Oil company here. On motion of the defense the court ordered that the defendant company be allowed forty days in which to prepare and file its bill of exceptions in the case, and on another motion by the Standard Oil attorneys, Joseph O. Troup and S. P. Tolles, the sentence imposed was ordered suspended for a period of sixty days for the purpose of filing a petition on error in the case. It was also ordered that the criminal informations pending against John D. Rockefeller, the Buckeye Pipe Line company and the Manhattan Oil company be continued until the next term of court.

The fine imposed by Judge Banker was the limit for one offense, though the law stipulated that each day that the illegal combination business is carried on constitutes a separate offense. Taking this view of the statutes, it was possible for the court to impose an aggregate of fines amounting to over \$6,000,000.

WRECK DEAD FIFTY-FIVE

FIFTY-FOUR BODIES RECOVERED AT ATLANTIC CITY.

CAUSE IS STILL A MYSTERY

Fifty-one Bodies of Victims of Disaster Are Identified—Second Car is Brought to the Surface—Interest in Coroner's Inquest.

Atlantic City, N. J., Oct. 31.—The contention of Coroner Gaskill that a number of persons who lost their lives in the electric train wreck on the Thoroughfare bridge may be buried in the mud where the cars plunged was borne out when the bodies of Mrs. Paul Felsburg, Mrs. Selma Johnson and that of Mrs. Sarah Miller were recovered from under the third car. This car hung over the abutment in the center of the bridge with its nose in the mud, and when the workmen were trying to lift it from the water the bodies worked loose. That of Mrs. Miller was pinned fast in the wreckage, but that of Mrs. Felsburg floated up to the view of the workmen. Mrs. Johnson's body was found some time later, caught under the wreckage. All were cut and battered.

The finding of these bodies increases the official identified dead to fifty-one and the total number of bodies recovered to fifty-four. There are still known to be among the dead the bodies of Mrs. Frank Monroe, three-year-old Joseph McKelroy, H. N. Burch

and Arman A. Lexis Tedesco, which makes the certain number of dead in the wreck fifty-five. There still remain at various mortuaries three unclaimed bodies. The second of the death-dealing cars has been raised and it is expected that several other bodies will be recovered.

Aside from the search for the bodies interest now centers on the inquest, which will be held by Coroner Gaskill tomorrow morning. While he will not express an opinion before the inquiry as to the cause of the accident, it appears from his statements that he is convinced the bridge on which the accident occurred is not as it should be and may have to be rebuilt.

ANNIVERSARY PASSES QUIETLY

Disorder and Bloodshed Averted in St. Petersburg.

St. Petersburg, Oct. 31.—The first anniversary of the proclamation of the manifesto giving a constitution to Russia passed in undisturbed quiet. Disorder and bloodshed were averted. The workmen of St. Petersburg, always the most numerous element in any disturbance, complied absolutely with the orders of the labor organizations and abstained from any celebration or demonstration. The men of a score of smaller factories had the day off, but work was performed in a majority of the shops.

Several bands of "Black Hundreds," armed with staves, paraded in a remote street, but there were no collisions with them nor have there been any conflicts between the workmen and the police.

It was reported that the soldier, named Vlasoff, and eight of his associates in the plot to blow up the building where the court-martial trying the Cronstadt mutineers was sitting, have been executed.

MILLIONAIRE KILLED BY AUTO

Robert M. Snyder of Kansas City Meets Death While Riding.

Kansas City, Oct. 29.—Robert M. Snyder, millionaire capitalist of this city and under indictment in St. Louis on a charge of bribery, died at Agnew hospital as the result of injuries received in an automobile accident at Independence boulevard and Park avenue a few minutes before. Snyder, in his own automobile, which was driven by Frank M. Schroeder, an expert chauffeur, was riding eastward and just passing a moving trolley car when the chauffeur saw a small boy jump from the car directly in the path of the machine. In an effort to save the boy Schroeder turned the machine toward the curb, and as it struck the curb Snyder, who was in the rear seat, was thrown against an iron trolley pole and his skull fractured at the base of the brain. The boy, whose name is Arthur Rodall, was knocked down and fatally injured. Schroeder was unhurt.
