Ayer's Pills are liver pills. They act directly on the liver, make more bile secreted. This is why they are so valuable in constipation, biliousness, dyspepsia, sick-headache. Ask your doctor if he knows a better laxative pill.

World's Sunday school convention that was being held in Rome, Italy, during this week and that last Sunday was the day in all the Sunday schools in the world were requested to hold special exercises and try to get some of the good things that the delegates are getting in Rome. A scripture lesson was read that was written by Paul while he was in Rome. The Hastings State convention was mentioned and Mr. Marsh was elected as our delegate. Miss Frankie Ward was elected as an alternate. A picture of the school was then taken which will be taken to the State convention to show them there how much we have grown in one year. Mr. Klowgard taught the Bible class. He is a good teacher.

We need that dollar now.
