NUMBER 25

ANOTHER STAY FOR BARKER.

Insanity Trial in District Court Again Postponed.

Frank Barker, the Webster county murderer, whose reprieve from execution for the crime of which he was convicted expired last Saturday, and who was to have been tried before a jury in the court of District Judge E. P. Holmes next Tuesday on his alleged insanity, was yesterday afternoon granted another lease of life. On motion of his counsel, F. G. Hamer of Kearney, Barker was granted a continuance of two weeks, the date for the trial being set for July 8. The order for continuance was signed by Judge Holmes shortly before 5 o'clock over the vigorously presented objections of the attorney general, voiced by his assistant, Grant Martin.

The reasons presented for the continuance were submitted to the court in an affidavit by Judge Hamer. For the most part, the allegations set out that on account of the practice of counsel, it will be impossible for him to present his case at the time originally set for the hearing in such manner as will be fair to his client. Duties in connection with the trial of other alleged murderers he says will call him to the western part of the state within a few days. In addition to these facts he declares that the evidence he wishes to present to the jury to show the insanity of Barker, will necessitate a trip by him to Red Cloud and other portions of Webster county, and that he ought to devote at least ten days to his preparation of the case before having to present it to the jury.—State Journal

Red Cloud 9, Guide Rock 5.

The Red Cloud base ball team went down to Guide Rock Wednesday and trimmed the Guide Rock aggregation to the tune of 9 to 5. Cloyd Cumming did the umpiring, and he received more than his share of the roasting. County Clerk Lee De Tour kept track of the runs, but the hits were so numerous that he had to give up trying to count them. The Red Cloud boys outbatted the Guide Rock push, and out-fielded them, playing a fast game with the exception of the third and last innings. Don Bayliss, who played at short for Guide Rock, is the only real ball player with that aggregation. The way he swatted the ball was a caution to "Doc" Nelson, who was doing the twirling for Red Cloud. The Guide Rock boys do not know how to take defeat gracefully. Aside from the roasts which the umpire got, he was also handed some clods by the hoodlum element. The editor of this paper, in company with Boyd Smith and Cloyd Cummings, drove in from the grounds and when about halfway to town a gang of hoodlums along the road opened up with clods, all of the occupants of the buggy receiving "bumps" from kids. Such a thing could not have happened in Red Cloud, where the boys are all young gentlemen.

Auto Livery and Repairing.

The increasing demand in Red Cloud for firstclass automobile service has lead us to open an Automobile Livery and repair shop and we are now ready to wait on the needs of the public in proper style. If you want to make a pleasure drive see us. We have three splendid cars always at your service. Traveling men's business especially solicited.

We also repair gasoline engines and bicycles. Our prices are right and all work is guaranteed to be satisfactorily done. Your orders will be greatly appreciated.

Admission 25 and 35 cents.

Ed Cook Married.

A very quite wedding took place on Thursday, June 6th in Beggs. The parties were H. E. Cook of Okmulgee and Miss Willa Wills of Mounds. Mr. Cook is one of Okmulgee's most prominent business men and his bride is well known in this city, having visited here several times and was the guest of Mrs. Wright Thornburg a few days before the wedding took place. Mr. Cook's bride is one of the society bells of Mounds and has many accomplishments. Mr. and Mrs. Cook will go to house keeping soon in Okmulgee and will be at home to their host of friends after July the first.—Okmulgee (I. T.) Chieftain.

The groom is well known in this city, being the son of Dr and Mrs. Henry Cook, and has a host of friends who extend congratulations.

Rosemont Gets Saloon.

The county commissioners met Tuesday afternoon to consider the matter of the application of Henry Thewes to run a saloon at Rosemont. A remonstrance against granting the License had been filed by Rev. Dexheimer, and a large delegation came down to contest the remonstrance, but as the preacher did not put in an appearance and there being no witnesses to back up the remonstrance, and as there was plenty of evidence for the other side, the board grantek the license. Rev. Dexheimer gave no explanation of his failure to push the remonstrance.

Letter List.

List of letters remaining uncalled for at postoffice at Red Cloud, Neb. for the week ending June 13, 1907:
Carter Harry Edell Julius
Hansell T A Roe John G
Turney Mrs Alma Williams R T

These will be sent to the dead letter office July 4, 1907, if not called for before. When calling for above please say "advertised."

T. C. HACKER, Postmaster.

Notice to Bidders.

Notice is hereby given that sealed bids will be received at the office of the county clerk at Red Cloud, Neb. up to 12 o'clock noon July 16, 1907, for the building of a side walk 6 feet wide on the west side of Court House square. Such a Walk must be constructed to comply with city ordinance. Board reserves the right to reject any or all bids.

LEE DE TOUR.

Wedding Bells.

Peterson Schultz.

Charley Schultz, Red Cloud's handsome and only photographer, sneaked away to Bladen Wednesday, where he was married to Miss Esther Peterson daughter of Mr. and Mrs. Oscar Peterson. We have had suspicions for some time that there was something doing in that direction, but Charley is so secretive that he allowed no one to guess the exact date of his breaking into the sacred Benedictine circle. We extend congratulations to both the bride and groom, for a better mated couple never got tied up in this or any other county.

Benner-McFarland.

Mr. Ben McFarland, the popular young grocerman, and Miss Vera Benner were married Wednesday evening at 7 o'clock, Rev. A. A. Cressman performing the ceremony. Miss Benner came here a short time ago from Columbus O., and has made her home with Mr. and Mrs. L. M. Steward, and during her brief residence here she has made many friends. The friends of the happy couple did not forget them, and when they took the evening train for Colorado they were handed all kinds of old shoes, rice and the usual farewells. We extend congratulations to Mr. McFarland upon his introduction into the ranks of the Benedicts.

Teachers Resolve.

We, a committee of the Webster county teachers, in annual institute assembled, hereby draft the following:

Resolved, First—That we appreciate the work done for the teachers by Mrs. Castor, our worthy county superintendent by engaging such talented instructors and lecturers for this institute; also, that the efforts put forth by her for the best interests of the schools of Webster county demand that she be re-elected superintendent of said county.

Second—That we highly commend the work of Mrs. Brindley as instructor in primary methods, with her model class, the teachers having been greatly benefited by her work; and also, we extend our thanks to Miss Sherman for securing the model class.

Third—That the teachers as a whole have been greatly enthused by the efforts of Supt. Sherman and Thomas for our instruction in their respective classes, and that we will go to the schools of the county with more definite aims and higher ideals, than heretofore.

Fourth—That the work of Mr. Argabright in music and drawing has been instructive and entertaining to all.

Fifth—That we shall strive to become the ideal of new woman as characterized by Senator Burkett in his excellent lecture, and Norseman as pictured by Supt. Sherman in his instructive address, both of which we consider to be ideals worthy of entertainment.

Sixth—That we feel more than grateful to those who assisted in the musical part of the entertainments.

Seventh—That we heartily thank the school board for the use of the building, the janitor for his efficient service, the Catholic and Congregational people for the use of their churches for the evening lectures and the eight grade graduating exercises.

W. I. SWISHER,
VISA DICKERSON,
IRENE FERGUSON,
Committee.

Moved and seconded that the resolutions be adopted and printed in the Red Cloud papers.

To the Public.

As the successors to John Griffith we would respectfully ask the patronage of all his customers as well as the general public. We will try to merit your confidence by fair dealing and prompt service. We will keep in stock a good assortment of goods and cater to the wants of the purchasing public.
FULTON GROCERY CO.

SUMMER CHAUTAUQUA.

Will Be the Biggest Thing That ever Happened in Red Cloud

S. M. Holliday, manager of the summer Chautauqua, has been in Red Cloud for the past week getting out advertising matter and making other necessary arrangements for the big series of entertainments. People generally do not realize the magnitude of the undertaking. Some imagine that a Chautauqua assembly is like a street fair with a lot of "Cheap John" attractions accompanied by street fakirs and the like.

The assembly to be held in Red Cloud beginning July 29 and continuing to August 7 will give two programs daily of as refined entertainment as you will see or hear at any of the larger Chautauquas. The programs include lectures by some of the most noted lecturers in the United States, such as Nat Brigham, Gearhart, Senator Fred T. Dubois of Idaho, Lorenzo Zwickley, Rev. Sam Small and others of equal talent. There will be splendid concerts by vocalists of renown, and the famous Kilties band will also give two entertainments, which alone will be worth the price of a season ticket for the entire course. The Citizens Concert Band of Red Cloud has been engaged to give concert every evening before the regular program begins.

The people have become tired of street fairs, with their attendant games of graft, and the Chautauqua will give them something of real merit upon which to spend their spare change. We would advise everyone

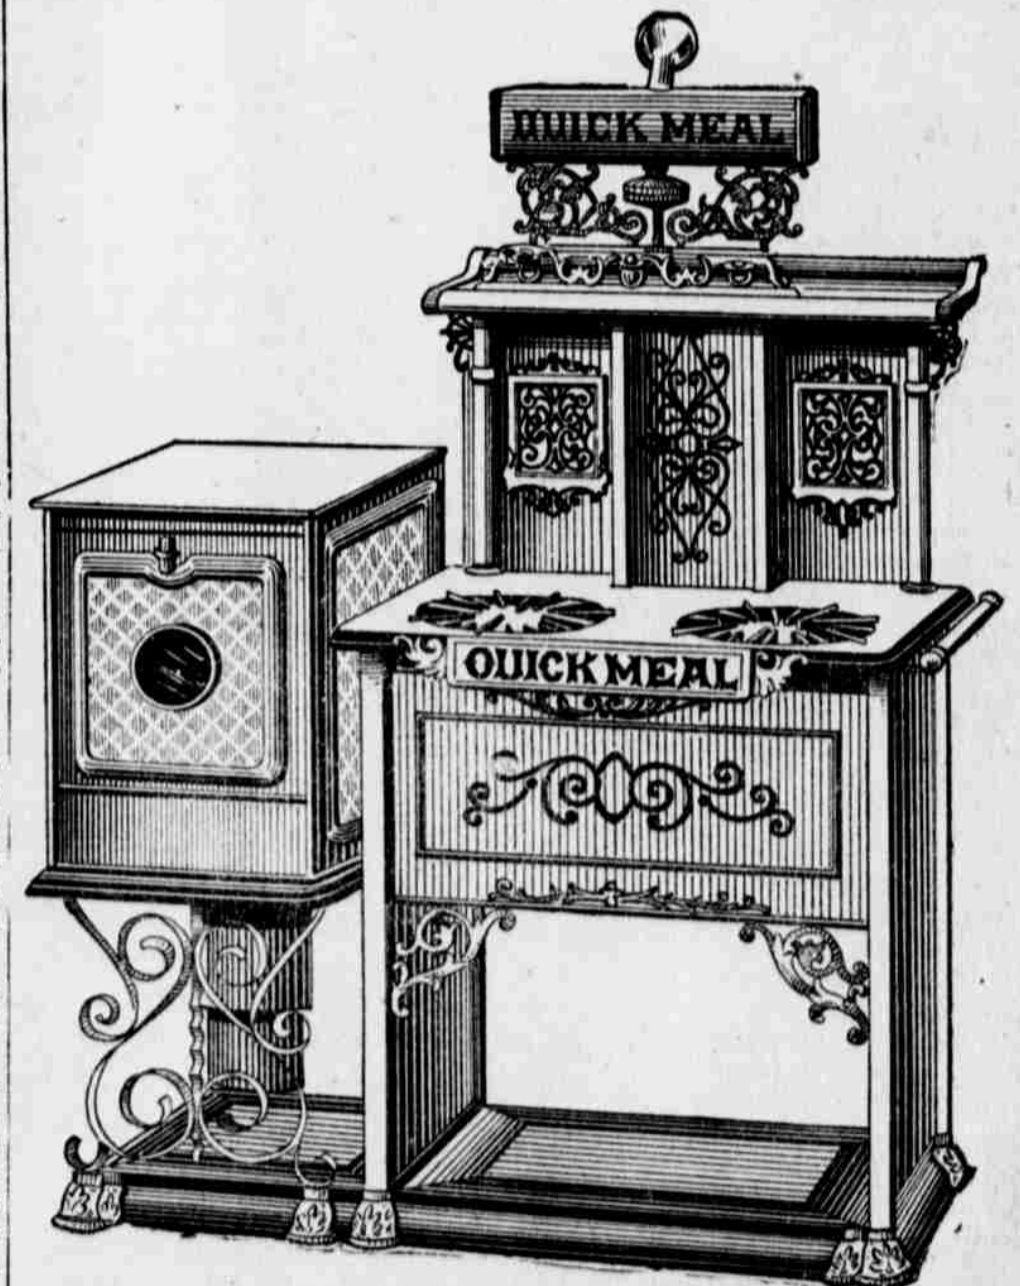

who has not already done so to purchase a ticket for the entire series of twenty entertainments, and in this way they will save considerable money. It is almost certain that if you attend one entertainment you will want to attend all. A season ticket costs but \$2, or an average of 10 cents per entertainment. If you do not attend more than four entertainments you will have your money's worth, with the privilege of attending sixteen more entertainments if you feel inclined.

Real Estate Transfers.
