

# Stops Hair Falling

Ayer's Hair Vigor, new improved formula, will certainly stop falling of the hair. Indeed, we believe it will always do this unless there is some disturbance of the general health. Then, a constitutional medicine may be necessary. Consult your physician about this.

Does not change the color of the hair.

Formula with each bottle Show it to your doctor Ask him about it, then do as he says

The reason why Ayer's Hair Vigor stops falling hair is because it first destroys the germs which cause this trouble. After this is done, nature soon brings about a full recovery, restoring the hair and scalp to a perfectly healthy condition.

The Topeka Giants, a fast aggregation of colored baseball players, will appear in Red Cloud for two games, next Wednesday and Thursday. The showing made by the Red Cloud boys in the game with the Haskell Indians guarantees that the "coons" will not have a walkaway.

One of the best baseball games ever seen in Red Cloud was played last Saturday, when Cowles was defeated by Red Cloud in a thirteen inning game, by a score of 5 to 4. Boone Saunders' home run hit saved the game for Red Cloud. There is still some doubt as to whether the score was correctly kept.

Harm Holcomb was in from Walnut Creek Wednesday to see the Indians play ball. Incidentally he dropped in to the Chief office and set a few lines of type merely to show that he has not forgotten "the boxes" Mr. Holcomb was a compositor on the Chicago Tribune forty years ago, when Joe Medill was in his prime as editor.

STRAYED—Two weeks ago from two miles west of Red Cloud, one sorrel mare, with three white feet, branded low down on right shoulder with three bars. A small scar on left hind pastern. Any one returning this mare or giving information that will lead to her recovery will be suitably rewarded by Robert Allen, Riverton, Neb.

Mayor William Ernst, Councilman Thornefelt and Attorney S. P. Davidson of Tecumseh were in town this week inspecting our lighting system. Mr. John Martz, who had charge of the construction of this plant, wants to put in a similar one at Tecumseh, and they came over here at his solicitation. They were more than pleased with the plant.

Mr. and Mrs. S. M. True and children of Inavale were in town today on their way home from a month's trip to the Pacific coast. Mr. True thinks Seattle is the coming town on the Pacific coast. He says he enjoyed the trip immensely, but was anxious to get home. George McCrary has been in charge of the Inavale bank during Mr. True's absence.

Prof. Moritz was in the city Tuesday and Wednesday. While here he contracted with the school board for three years' service at \$1200 per year. The Blue Hill board were disappointed in the superintendent they had engaged, and made Prof. Moritz an offer of \$1200 per year for two years, but Red Cloud went them one better and we are assured of his services for three years.

One week from next Monday the Chautauqua assembly will open. Those who have not purchased season tickets should do so at once, for it is certain that if you attend one of these entertainments you will want to attend all of them. Tickets can be procured at any of the stores, and if you wish to rent a tent for the season and camp out write or call on Paul S. Dietrick.

During the storm early Tuesday morning Marshall Kinsel was informed by telephone that there was a fire in the alley back of Miner's store. George

Newhouse also saw the fire from his home, and when he and Mr. Kinsel arrived on the scene they found a lot of old paper wadded up and blazing at a great rate. They easily extinguished it, however. It is not known how the paper caught fire.

A baby cyclone tore up the ground and loose trash in Walnut Creek Sunday evening, in the vicinity of Walter Noble's home. The twister was plainly visible from elevated spots in Red Cloud. The cloud at first had the appearance of a rope ladder hanging in the sky, but later broke apart and the lower half developed into a small cyclone. There was no damage to property.

About the only possible show for the people of Webster county to get another crack at Barker is to re-arrest him and bring him back here on the charge of murdering his sister-in-law. At the former trial he was arraigned only on the charge of murdering his brother. Some attorneys are in doubt as to whether he could be brought back here on the first mentioned charge.

It is amusing to hear the skeptics talk about the game with the Indians Wednesday. It is hard to make them believe the Indians were trying to win. They don't give the Red Cloud boys credit for the splendid game they put up. Our boys gave as good an exhibition of baseball "as she is played" as you are liable to see in a good many years in a country town. There is not a team in this neck-o'-woods that could have won from Red Cloud Wednesday.

A "sheeny" salesman for a St. Louis drug house spent Sunday in Riverton. Monday morning he got up, left the hotel without paying his bill and went to a 15 cent restaurant for his breakfast. He wanted to go west, and when the liveryman told him it would cost him \$1.50 for the drive to Franklin he decided it would be cheaper to come to Red Cloud, take the flyer and go further west. He came down here, only to find that all westbound trains were annulled for the day. Of course he had to eat and sleep, and he has by this time learned that stinginess does not pay. He is out \$3 besides losing a day's time, all to save a small livery bill.

### Judge Sedgwick.

Petitions are being circulated throughout the state asking that the name of Hon. Samuel H. Sedgwick of York, Chief Justice of the Supreme Court, be placed on the republican primary ballot as a candidate for nomination for a second term of six years. All factions in the party are joining in this endorsement of Judge Sedgwick's ability and fitness for this most important position. He has been a conscientious and faithful officer and has not been influenced by any consideration except the law and the facts. One attorney and one client has precisely the same chance in his court as another, and everybody feels this to be a fact. His nomination six years ago was brought about by the confidence the people had in him after he had been tried on the district bench and the supreme court commission, and was in the face of the combined opposition of all railroads. His record since that time justifies the confidence that was placed in him. The people should rally to his support for a second term and we are confident they will. Let well enough alone.

### George Hummel a Candidate.

For the first time within our knowledge, Rev. George Hummel is a candidate for office. It is a case of the office seeking the man, and we will feel like congratulating the office if it succeeds in overtaking him. In response to the urgent request of his friends, Mr. Hummel has decided to become a candidate for county commissioner from the Third district, and so announces in this issue. Mr. Hummel has been a resident of Webster county since about the time of its organization, and his long service as minister of the gospel has made his name familiar to every one in the county. His life and works speak for themselves, and we think of nothing that needs be said by way of introduction.

### Scott for Assessor.

Ex-Sheriff Henry C. Scott announces himself a candidate for the Republican nomination for county assessor. Mr. Scott was one of the pioneers of the county, having come in here before the Indian and buffalo were driven out. He was sheriff of the county twenty years ago, and in later years has been engaged in farming. However, his knowledge of the value of property is general, and his well known fairness have frequently resulted in his being chosen as township assessor, and he has also served as deputy under County Assessor Turner with satisfaction to

Elsewhere in today's paper will be found the card of J. W. James of Hastings announcing his candidacy for the Republican nomination for district judge. Mr. James was the candidate four years ago against Judge Adams, and made a good race. He has practiced law for nineteen years in Nebraska. His friends in Adams county are very active in his behalf, and believe that he will be nominated and elected.

### An Old Friend in Trouble.

For the past few days the daily papers have contained lengthy notices of the arrest at San Diego, Cal., last Saturday, of Fred Magill of Clinton, Ill., on the charge of murdering his first wife. Mr. Magill's first wife died on the 30th day of last May, and the coroner's jury decided that she had committed suicide. On the 5th of July Fred was married in Denver to his daughter's chum, and the three went to San Diego, where they were arrested last Saturday on the charge of having murdered his first wife. The editor of this paper has known Fred Magill for over thirty years, and nothing less than his own confession would convince us that he is guilty of the crime charged against him.
