 "Baldy" Vest, who is now working for the Riverton livery barn, got a bad kick from a horse Tuesday evening. While driving to Red Cloud with a traveling man a tug became unhitched and "Baldy" got out and hooked him up. Just as he had finished hooking the tug the horse gave him a vicious kick in the back of the head, landing him between the circle of the buggy and box. The team started to run, but the knight of the grip had hold of the reins and succeeded in stopping them. "Baldy" was unconscious when he was picked up after the buggy had run over him. Besides a bad gash in the back of the head, he also had a fractured rib.  
 The game between Red Cloud and Webber last Saturday afternoon was a good one, but rain interfered with the playing. Had it not been for the batting of Ed Harris of Superior, who played short for the Webber aggregation, there would have been a different tale to tell. Harris got two two-baggers at times when hits were needed, and as a result of his good hitting Webber came out of the scuffle with a score of three to one against Red Cloud. Dahl, who pitched for Webber, had thirteen strikeouts to his credit, while Groves of Bostwick, who did the twirling for Red Cloud, had eight. The Webber boys got five singles and two doubles off Groves. On the part of Red Cloud, Bradbrook, Bohner, and Smith each got doubles, and Lain and Smith singled, but the hits were scattered and did not count for much.
