This contest will be a fast one and all lovers of good, clean sport should attend. Prices 35c, 50c and 75c. Tickets on sale at the Tepee.

Always Hustling.

In this advanced age of civilization, there is so much competition in every line of business and entertainment, that it is only the most enterprising that succeed.

Nearly every year some circus closes or consolidates with some other; this year several are closing, and why? Because competition has become so strong that it takes only the shrewdest and keenest business men to keep up with the onward rush and take out a circus that will be up to date in every respect and satisfy and please the tastes of the people today.

Men who intend to cater to this generation in any line of entertainment must be up and doing all the time, no laggards can stay in this race, for race is what it amounts to; and there is not a day, week, or month in the whole year that the energetic Campbell Brothers can set aside for rest or vacation. As soon as their season closes they begin to prepare their shows for the next season. From the day they go into winter quarters at Fairbury, Neb., till they open in the spring, there is not a busier bunch of business men than these well known Campbell Brothers.

Their efforts of the past season are seen in the mammoth Consolidated Shows that will exhibit in Red Cloud on April 27, under water-proof tents in two big performances at 2 and 8 p. m. Don't forget the big street parade at 10 a. m.

A woman is conscious of her superior appearance when she is wearing an

American Beauty Corset

She knows she looks well then, that she is charmingly attractive and that her beauty is greatly enhanced because she is wearing a corset that produces such magnificent results. A corset that is designed for that purpose and is the creation of painstaking skill in every step of its manufacture. The woman who wears these dainty corsets, "gets the habit" and will wear no other.

To be a good dresser, start right, that is at the foundation, the corset.
