NEWS OF NEBRASKA.

EXPRESS RATES WILL BE CUT

Supreme Court Renders Decision En-
forcing Sibley Act.
Lincoln, April 11.—Express rates in
Nebraska will be cut April 15 20 per
cent. This much was decided by the
Nebraska supreme court which granted
a temporary restraining order, en-
joining the express companies from
violating the Sibley law, which pro-
vides for the reduction.

Pending a trial of the merits of the
case, involving the reasonableness of
express rates, the lower charges will
therefore be in effect.

The supreme court appointed former
Supreme Judge J. J. Sullivan of Col-
umbus referee in the case to take
testimony and the injunction is im-
posed that he conduct the hearing
will all possible celerity and make an
immediate report of his findings back
to the court.

The decision is a victory for the
state, which has been securing ad-
vantage step by step in its contest
with the express companies. It means
that until the litigation over the rates
is settled, at least, the reduced
charges only may be in force.

Attorney General Thompson, July 5,
1907, began the action in which the
restraining order was granted. He
sought to prevent the express com-
panies from violating the Sibley act.
The case was soon after transferred
to the federal court and later sent
back to the state court. The express
companies then filed an independent
action on their own part in the federal
court, which is not yet decided.

Morton Predicts Taft's Nomination.

Omaha, April 11.—Paul Morton,
president of the Equitable Life Assur-
ance society and former secretary of
the navy and vice president of the
Santa Fe railroad, discussed insur-
ance, political and commercial ques-
tions with his friends, said he was
proud to be one of Senator LaFol-
lette's "One Hundred" who control
the commercial destinies of the coun-
try; that Taft would be nominated
and elected president and that the in-
surance business had passed from an
era of investigation into one of ap-
preciation. Paul and his brothers,
Joy and Mark Morton, were guests at
a dinner given by General Manderson
at the Omaha club last evening.

Files Complaint Against Grain Trust.

Lincoln, April 15.—Complaint was
filed with Attorney General Thompson
against the Nebraska Grain Dealers'
association, alleging that it is a trust
and as such is trying to drive inde-
pendent dealers out of business. The
complainant is G. F. Godown, secre-
tary of the Beaver Valley Grain com-
pany, at Danbury, who asserts the
members of the association, in an ef-
fort to deprive him of business, are
paying several cents more for grain at
Danbury than the market price and
much more than they pay at their ele-
vators in other towns where they have
no competition.

Spinney Must Pay Back \$7,800.

Lincoln, April 11.—Dr. E. C. Spinney
of Chicago must pay back the sum of
\$7,800, received from the Iron Chain,
a Minnesota organization, so de-
clares the supreme court. Dr. Spin-
ney is at the head of a fraternity so-
ciety, the Bankers' Union. This or-
ganization took over the Iron Chain
in 1901. At that time the home office
of the Bankers' Union was located at
Omaha. The Nebraska court holds
that the purchase of the Minnesota
society was not valid. The suit was
started by S. G. Starr, receiver for
the Iron Chain.

Lincoln Statue Unveiled at Omaha.

Omaha, April 15.—Patriotism
reigned supreme at the unveiling of
the statue of Abraham Lincoln on the
campus of the high school and alter-
nate periods of solemn reverence and
cheering appreciation prevailed when
Miss Mona Cowell, member of the
sophomore class, pulled the cord
which released the flag that had
shrouded the statue and the work of
the sculptor stood revealed to the
crowd which surrounded the pedestal.

Saloon Keeper Flees From Black Hand.

Omaha, April 11.—It was reported
to the police that Joe Thomas an Ital-
ian saloon keeper, had left town from
fear of the Black Hand. His bartender,
H. Monica, received a telegram
from him announcing his departure.
Monica asserts that a month ago
Thomas was approached by two mem-
bers of the society and a demand
made upon him for \$500. If he refused
his saloon was to be blown up.

Comptroller Law Valid.

Lincoln, April 11.—The supreme
court has handed down a decision re-
versing the decision of Judge Redick,
who knocked out the law creating the
office of county comptroller in Douglas
county. The supreme court holds the
law valid, dissolves the injunction and
dismisses the case.

Woman Commits Suicide.

St. Paul, Neb., April 11.—Mrs. Mary
P. Alexander, wife of Sheriff Alex-
ander committed suicide by taking

carbolic acid. She took the poison
while Mr. Alexander was temporarily
out of the room, and on his return
bade him goodbye. No motive is as-
signed for the act.

Express Companies Must Obey Law.

Lincoln, April 15.—The attorney
general thinks that there is no possi-
ble way by which the express com-
panies can evade obeying the pro-
visions of the Sibley law, which went
into effect today pending a final hear-
ing of the merits of the case.

Girl's Death Due to Poison.

Chicago, April 14.—Francesca Nico-
loze declared that the death of
Mary Renda, an eight-year-old girl
who died some days ago under sus-
picious circumstances, was caused by
poison, which he had placed in the
flour at the suggestion of the girl's
mother. No object is known for the
crime, except that Mrs. Renda was
angry with her husband, who desired
to move from their present residence,
while she desired to remain.

HURON THREATENED BY FIRE

South Dakota City Surrounded by

Flames—Several Buildings Burned.

Huron, S. D., April 15.—This city
was entirely surrounded by prairie
fires, the smoke from which was so
dense that the sun was obscured and
dust and ashes were driven in clouds
by the high wind. The first fire came
from the northeast, but the wind
changed and fires soon were sweeping
in from all directions. Broadland suf-
fered the most. The Chicago and
Northwestern station house, water
tank and two boxcars were burned;
also the Atlas lumber yard and Atlas
elevator, containing several thousand
bushels of grain. The Holland hotel
and one other house also were burned.
The Great Northern bridge across the
Jim river, two miles northeast of this
city, was badly damaged. All build-
ings, except the dwelling on the Mor-
row ranch, were destroyed, together
with much farm machinery. All build-
ings on I. B. Parkhurst's farm, with
implements and much grain, were
burned. The school house in Grant
township was destroyed. Ed Kimes'
house, west of this city, was destroyed
and Mrs. Kimes severely burned.
Barns, cattle, sheds and thousands of
tons of hay and grain were destroyed
in every direction. No lyes are
known to have been lost, but many
persons were more or less burned.
Hundreds of men went out from here
in automobiles and wagons to fight the
fire.

Railroad Men Oppose Rate Reduction.

Missouri Valley, Ia., April 11.—Five
hundred railroad men from all branch-
es of the service, at a mass meeting
here, adopted resolutions protesting
against any further reduction in rail-
road rates. The resolutions say the
loss must eventually fall on the rail-
road employes. The resolutions are
addressed particularly to the Ne-
braska railway commission, and a
committee was appointed to present
the commissioners a copy.

"Mrs. Naylor says," began Mrs. Yer-

ner, "that she never has to ask her
husband for money, because he gives
her all the money she wants. I wish
I could say that."
"Well," interrupted Mr. Yerner, "why
don't you, my dear? You can talk as
big as she does."—Philadelphia Press.
