Roy Burden Attempts Suicide.
Sunday afternoon Fred Burden of this city received a telephone message from Campbell which announced the attempted suicide of his brother Roy. The cause of his despondency is said to be a matter of rejected love. In shooting himself he used a .38-calibre revolver, the bullet going entirely through his body just above the heart. Those hearing the shot ran to where the dejected mortal fell. Immediate medical aid was summoned. But he is in a critical condition and the attempt may yet prove fatal. He is well known here having lived here for about a year or more and is a nephew of James Burden, ex-clerk of district court.
