CALUMET BAKING POWDER

HEALTH ECONOMY

Calumet is made of the finest materials possible to select, and makes light, easily digested Bread, Biscuits or Pastry; therefore, it is recommended by leading physicians and chemists.

In using Calumet you are always assured of a good baking; therefore, there is no waste of material or time. Calumet is put up in air-tight cans; it will keep longer than any other Baking Powder on the market and has more raising power.

Calumet is so carefully and scientifically prepared that the neutralization of the ingredients is absolutely perfect. Therefore, Calumet contains no Residue Salts or Alum in the food. It is chemically correct.

\$1,000.00

Green for any substance injurious to health found in Calumet

Spring 1908 Suits

Nothing manufactured shows so great an improvement as Clothing. Each season shows this more forcibly.

This Spring's line is better than ever.
Glad to show you.
