Your Doctor Knows
 Your doctor knows all about foods and medicines. The next time you see him, just ask him what he thinks of **Scott's Emulsion** of Cod-Liver Oil with Hypophosphites. We are willing to trust in his answer. For twenty-five years doctors have prescribed our Emulsion for paleness, weakness, nervous exhaustion, and for all diseases that cause loss in flesh. Its creamy color and its pleasant taste make it especially useful for thin and delicate children. No other preparation of cod-liver oil is like it. Don't lose time and risk your health by taking something unknown and untried. Keep in mind that SCOTT'S EMULSION has stood the test for a quarter of a century.
