WASHINGTON NOTES.

It is all over now except the Spanish weeping and wailing. That ultimatum with a time limit attachment, did the business. Spain has accepted our terms of peace and agreed to give up the Philippines...

Many of the most careful observers of senatorial sentiment are predicting that the anti-expansionists will be strong enough in talk, if not in votes, to prevent the ratification of the treaty of peace...

Washington is just now the scene of some Central American diplomacy, in which this country's interests in the Nicaragua canal is one of the principal factors.

One hundred and sixty acres of unimproved land four miles northwest of Red Cloud, consisting of the west half of the northeast quarter, and the east half of the northwest quarter of section fifteen in township two north, range eleven west.

It is understood that the Marquis de... native wire pullers did secure. The politician Hooley his check, which was \$100, only after the publication has been published.

getting all these claims waived, if he is willing to put up the price. The Panama Canal Company is also represented at Washington for the purpose of trying to prevent any canal legislation by congress.

A consular report from Venezuela shows that Havana has energetic business men who may surprise some of our men who will go over there expecting to have everything in the business line their way.

The fight against Representative-elect Roberts, of Utah, is getting warm, and if it keeps up will almost certainly result in his losing his seat in the next house almost as soon as he takes it.
