LINE. Another show. Will Aubushon is the owner of a fine iron gray team. Geo. Rosenorans bought a fine team of L. A. Haskins.

The revival meetings at Mt. Hope will continue for some time. The revival meetings at Penny creek have closed with marked success.

Mrs. L. A. Haskins was the guest of Wm. VanDyke one day this week. Miss Belya Carpenter of Riverton was in Line visiting friends last week.

Will Edgerton has rented a ranch on Walnut creek for \$60 per annum cash. Benj. VanDyke of Park, Missouri, a brother of Wm. VanDyke is here on a short visit.

Born, to Mr. and Mrs. Richard Keagle of Cambria, Wyoming, a ten pound daughter. Mr. Roher has lost eighty head of hogs with cholera. Mr. Collins has also lost 25 head.

F. D. Hutchinson of Walnut creek has bought the Fred Wobbermin ranch of Mr. Smith of Red Cloud for \$1200. John Davis had the misfortune to have his stable burned one day last week. Loss about fifty dollars. No insurance.

The Christmas entertainment at Pleasant Dale was largely attended and all report a good time. The young people did well considering the chance they had. The tree was well loaded with costly gifts to the amount of something like fifty dollars.

La Grippe Successfully Treated. "I have just recovered from the second attack of lagrippe this year," says Mr. Jas. A. Jones, publisher of the Leader, Mexia, Texas. "In the latter case I used Chamberlain's Cough Remedy, and I think with considerable success, only being in bed a little over two days against ten days for the former attack. The second attack I am satisfied would have been equally as bad as the first but for the use of this remedy as I had to go to bed in about six hours after being 'struck' with it, while in the first case I was able to attend to business about two days before getting 'down.'" For sale by H. E. Grice.

WILLOW CREEK. Several boys have new watches. Miss Flora Godwin has been home on a visit. Wallace Vance was husking corn last week. Roy Wolfe is helping Charley Adamson husk corn.

Mr. Miller of St. Louis, father of Mrs. T. T. Lacy is spending the holidays on the creek. Miss Lucy Garber, Willow creek's popular school teacher is spending Christmas at home. What is the matter with Willow creek having at least one good time before the winter of 1895 is past. Josie Godwin was home last week on a vacation. She will return Sunday to Blue Hill where she is attending school.

Louise Vance is home on a three week's vacation. The board has given her several months more school. They know a good teacher when they get one. Charley Adamson, while digging out his ice house came in contact with several skunks. He was immediately taken with the skunk fever and it was thought for some time that he would have to go to the Adirondack mountains for a cure, but at this writing he is slowly but surely recovering.

STATE CREEK. The sick of this part are all some better. Jas. Graves enjoys riding in his fine new buggy. John Davis has his barn rebuilt since his unlucky fire. V. H. Scribner bought a pair of colts of Mr. Leaderbrand. Mr. Haskins traded for a fine mule of Pete Leaderbrand, which cost him \$50.00. Revs. Goldsworth and Hewitt of the United Brethren church are holding a series of meetings at M. Hope.

The Mt. Hope school has a two week's vacation and the teacher, Mrs. Cameron has gone to her home near Cora on a visit. Mud, mud, plenty of wet, muddy, bad roads. Though we are not chronic grumblers and believe in wet winters for a good crop next year. Our man Scribner regrets the death of his old friend Uncle Dick Payne near Inavale very much. They are distant relatives and very good friends.

Several Christmas trees were indulged in at private houses, namely at Mr. McCartney's, Wm. Francis and several others, all of which were well attended. The second dance at Mr. Herndon's resulted in a little racket. He had better not indulge in them too freely. Now they are over and who thanks him or thinks any more of him than before.

With the youngsters of this creek it's party, party, party, and while at one it's where will we have another, and if not granted the privilege they find out some one's birthday and then take them by surprise with what is known as a storm party. OCCASIONAL.

How to Prevent Pneumonia. You are perhaps aware that pneumonia always results from a cold or from an attack of la grippe. During the epidemic of la grippe a few years ago when so many cases resulted in pneumonia, it was observed that the attack was never followed by that disease when Chamberlain's Cough Remedy was used. It counteracts any tendency of a cold or la grippe to result in that dangerous disease. It is the best remedy in the world for bad colds and la grippe. Every bottle warranted. For sale by H. E. Grice.

LESTER. Fine weather. Harvey Cox returned to Geneva Sunday. Charley Cockrell has returned to his regiment. Chris Rasser was here from McCook last week. Alva Sinks is here visiting his uncle, Sam Miller. Cloice Jackson finished husking corn Wednesday.

Protracted meetings are being held by the Friends at North Branch, conducted by Mr. Lemons, and a negro Mr. Coolman. La grippe is again epidemic. Every precaution should be taken to avoid it. Its specific cure is One Minute Cough Cure. A. J. Sheperd, Publisher Agricultural Journal and Advertiser, Eldon, Mo., says: "No one will be disappointed in using One Minute Cough Cure for la grippe." Pleasant to take and quick to act. C. L. Cotting.
