Dr. S. B. Hartman, Columbus, O. DEAR SIR:-I have used several bottles of Pe-ru-na and feel greatly bene-Sted thereby. I have been afflicted

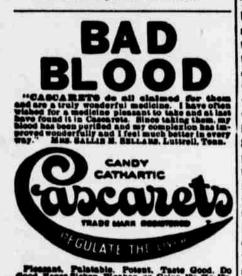

Hon. D. MERNISON. with estarra of the head and feel en couraged to believe that continued so of Pe-ru-na will fully eradicate a disease of thirty years' standing. Yours sincerely.

D. MEEKISON.

The continued receipt of endorsements like this for Dr. Hartman's great catarrh remedy, prove its value beyond question. Men of prominence everywhere are recognizing the merit of Pe-ru-na and are willing to give expression to their judgment because a certain, absolute cure for catarrh is a public good. Poisoned by Grip.

It is an awful thing to feel that the blood that goes coursing through your veins on its mission of feeding, building up and strengthening your nerves, brain, muscles, bonds and sinews, may be polluted with a subtle and deadly poison which only awaits an opportunity to strike a deadly blow at your health, and possibly to your life.

Everyone who has had the grip and has not taken the pains to thoroughly cleanse the system of the poisons which that terrible disease creates in the blood is having just that experience. The hour when the blow will come will not be known, but that it will surely come there is no room for doubt.

Do not wait until it is too late before you begin to fight this dreadful poison. Begin now, and begin with a remedy that is sure to help you. Dr. Miles' Nervine is an antidote for grip poisons. It strengthens and invigorates the nerves and gives them the power to search out and kill the germs of disoase. It whets the appetite, aids di-

"After a very severe attack of is grippe I found myself suffering from aggravated heart trouble. I had palpitation, shortness of breath, and experienced a dull pain and smothering feeling in left breast. I was very nervous and restless and could not sleep but little day or night. I began taking Dr. Miles' Nervine and received so much help from it that I followed every dose with Dr. Miles' Heart Cure. In a few weeks my health was restored and I have had no return of the trouble in seven years.

to the coffee drinker. Coffee drinking is a habit that is universally indulged in and almost as universally injurious. Have you tried Grain-O? It is almost like coffee but the effects are just the opposite.
