

EASY GOING PEOPLE. Those who disregard early indications of disease. The progress of catarrh is frequently gradual. Chronic catarrh secures possession without the knowledge of its victim. It has become so common to say, "Every body has a little catarrh" that many easy going people pay slight attention to it. Yet no class of disease is so difficult to shake off. Many people well advanced in years find themselves in the toils of catarrh. Mr. and Mrs. Collum, of Giddings, Tex., found help in Pe-ru-na. Mr. Collum's letter follows: Pe-ru-na Medicine Co., Columbus, O.

Selecting of Seed. All farmers should carefully select the grain seed that is to be used for spring sowing. It is not enough that the seed be free from weeds, although this, of course, is essential. Beyond this, however, pains should be taken to winnow out all the light, shrunken stuff, with about as strong a blast as the fanning mill is capable of producing. The difference in the yield between plump and shrunken seed is much greater than is generally imagined. In one experiment with spring wheat, continued for five years, it was found that plump, selected seed gave an increased yield of 23 per cent by measure and an increase of 6.4 pounds in weight per measured bushel over shrunken seed. This is a difference worth taking a great deal of pains in order that the farmer may have it in his favor. In a four years' test of barley, conducted along similar lines, plump seed gave an increased yield of 19 per cent over shrunken grain. As the shrunken grain is mainly caused by weak straw, rust and the like, there is the further advantage attending the selection of plump seed, that these faults, weakness and diseases are less likely to be propagated. On every account, therefore, it will pay the farmer to blow out of his seed grain everything that a blast will remove. Shrunken grain is a great deal better as a food for poultry or for the stock than it is for reproductive purposes. Through Tourist Sleepers to Northwest. The Burlington Route has established a twice-a-week tourist car line from Kansas City to Butte, Spokane, Tacoma and Seattle. Cars leave Kansas City, Lincoln and Grand Island every Tuesday and Thursday, arriving at Seattle following Friday and Sunday. They are upholstered in rattan. The bed linen and furnishings are clean and of good quality. The heating, ventilating and toilet arrangements are all that can be desired and each car is in charge of a uniformed Pullman porter, whose sole duty is to attend to the wants of passengers. Cars run through without change of any kind and the berth rate from Lincoln to Tacoma or Seattle is only \$5.00. To intermediate points it is proportionately low. Montana and the Puget Sound country are now enjoying a period of unexampled prosperity. As a consequence, travel to the northwest is rapidly attaining large proportions. This new tourist car line has been established with a view of caring for the Burlington's share of it in the best possible manner. Berths, tickets and full information can be had on application to any Burlington Route ticket agent or by addressing J. Francis, G. P. A. Omaha, Neb.
