Congressman Botkin's

Statement

WASHINGTON, D.C., April 1, 1898. Dr. S. B. Hartman, Columbus, O. MY DEAR DOCTOR: - It gives me pleasure to certify to the excellent curative qualities of your medicines:

Pe-ru-na and Man-a-lin. I have been afflicted, more or less, for a quarter of a century with catarrh of the stomach and constipation; a residence in Washington has increased these troubles.

A few bottles of your medicines have given me almost complete relief, and I am sure that a continuation of their use will effect a permanent cure.

Pe-ru-na is surely a wonderful remedy for catarrhal affections. J. D. BOTKIN.

Bad management keeps more people n poor circumstances than any other one cause. To be successful one must look ahead and plan ahead so that when a favorable opportunity presents itself he is ready to take advantage of

it. A little forethought will also save much expense and valuable time. A prudent and careful man will keep a bottle of Chamberlain's Colic, Cholera, and Diarrhoea Remedy in the house, the shiftless fellow will wait until necessity compels it and then ruin his best horse going for a doctor and have a big doctor bill to pay, besides; one pays out 25 cents, the other is out a hundred dollars and then wonders why his neighbor is getting richer while he is getting poorer.
