

THE RED CLOUD CHIEF

VOLUME XXVII.

RED CLOUD, NEBRASKA, JULY 7, 1899,

NUMBER 27

MINER BROTHERS, RED CLOUD, NEBRASKA.

P·R·I·Z·E·S

We give the "Best Prize," viz: Value in every piece of goods sold. All goods marked in plain figures. We guarantee to lead all competition. Satisfaction guaranteed or money refunded.

The formation of trusts has advanced the price of goods in every line. Factories discharging help and limiting productions will only result in higher prices for the manufactured product. This applies to Cotton Goods, Shoes, Dress Goods Carpets and Furniture. Our large stock will permit us to make the low price we do for some time. You will unquestionably have to pay higher prices for goods when present stock is sold.

Sewing Machines.

We have just unpacked another large invoice of Field and Vindex Sewing Machines. These goods were purchased before the recent strong advances. We give you the benefit of our successful buying.

THE FIELD, 5 drawer, oak finish, high head—simplicity one of its cardinal points—sold by agents at \$30 to \$35 our price, \$20.
Same finish, drop head, \$25.00.

Dress Goods.

We are making Special Challenge Clearing Sale Prices on Dress Goods.

These patterns are proving a great success.

Shirt Waists.

To close out our entire line of shirt Waists at one-fourth off. That means a 50c waist for 38c; 60c waist for 45c.

SHOES!

We have taken about 100 pairs of Ladies shoes from our stock, consisting of goods from lines which we have discontinued handling. They must go. In order to get the room the room they occupy we place them on sale at

50c per pair.

50 pairs Men's Shoes from lines we have discontinued handling, at \$1.00 per pair.

One-fourth off on all Bradley Metcalf shoes that we have on hand.

We have purchased, for fall, one of the finest stocks of shoes ever shown in Red Cloud. As these goods are to arrive in a short time, we must have room. We guarantee the best shoe values in the city.

BLADEN.

Rather quiet after the Fourth.
C. E. Hicks shelled corn last week.
Bladen celebrated at Campbell this year.
The mud did not keep many from celebrating.
The plasterers are at work on A. W. Cox's house.
Mr. Kirk and wife are the guests of W. P. Clawson.
Misses Bertha and Amy Kimmel are visiting in Lawrence.
The carpenters commenced work on J. Kralls house Wednesday.
George Denny is erecting a new house in the north part of town.
All-corn shellers in this vicinity are stopped on account of the scarcity of help.

Mrs. Majors is under the doctors care having received a stroke of paralysis Monday.

Several are talking of putting up new residences as soon as workmen can be found to do the work.

L. E. Spence will occupy his new residence soon. The painters are now putting on the finishing touches on the inside.

The Bladen ball nine scooped the Campbell boys and in turn the Bladen boys got scooped and whitewashed by the Blue Hill nine in the games played in Campbell on the Fourth.

GUIDE ROCK.

A fine rain Wednesday evening, .60 of an inch.

L. A. Payne of Hastings was in town on business Monday.

Charles Guy reports rain every night this week in his neighborhood.

Albert Horn is building on his lots recently purchased of Wm. Sabin.

W. Vandoran of White Cloud, Kansas, is visiting in Guide Rock this week.

H. H. Mauck, county attorney of Nuckolls county was in town on business Thursday.

Rev. Stealy was called to Cowles today to preach the funeral of Mrs. Malick's daughter.

Some of our young men expect to start for Colorado with a team for a pleasure trip next week.

About one hundred of our people spent the Fourth at Red Cloud and about seventy at Superior.

There was no regular celebration here but more cannonading than was ever known outside a bombardment.

The walk from the corner of the bank is being taken up and a new one laid as far south as the butcher shop this week.

Some young men bombarded the Guide Rock House with cannon crackers several dollars worth the night before the Fourth. No one hurt, but some broken window glass.

AMIDOWN.

GARFIELD.

Another fine rain.
Crops in Garfield are looking good.
Mrs. George King is no better at this writing.

Mrs. Milligan is tending her crops in good shape.

Mrs. Lockridge is taking care of her mother Mrs. King, this week.

Mrs. Ida Campbell's mother was down from Kansas one day last week.

Mr. N. L. D. Smith had a colt that ran in the wire fence Saturday while returning home from town and it received a severe cut.

TRAMP.

DeWitt's Little Early Risers expel from the system all poison accumulations, regulate the stomach, bowels and liver, and purify the blood. They drive away diseases' dissipate melancholy and give health and vigor for the daily routine. Do not gripe or sicken. C. L. Cotting.

Gun shot wound and powder-burns, cuts, bruises, sprains, wounds from rusty nails, insect stings and ivy poisoning—quickly healed by DeWitt's Witch Hazel salve. Positively prevent blood poisoning. Beware of counterfeits. DeWitt's is SAFE and SURE. C. L. Cotting.

Successful grocers know full well
That Ivory Soap is best to sell
Because 'tis best to use, and so
Their trade, well satisfied, will grow.
They cannot be induced to buy
The other soaps, which people "try
Just once"—to find them wanting; then
Insist on Ivory Soap again.

A WORD OF WARNING.—There are many white soaps, each represented to be "just as good as the Ivory"; they ARE NOT, but like all counterfeits, lack the peculiar and remarkable qualities of the genuine. Ask for "Ivory" Soap and insist upon getting it.

ASH CREEK.

Joe Taylor has a new organ.

Mrs. Lippincott has a new incubator.

Al White was calling on Wm. Roberts Sunday.

Creamery Smith of Red Cloud was on the creek Friday.

John Hasselbacher has been confined to his home with the asthma.

Miss Blanche Lockridge has been visiting with Miss Applegate.

Mr. and Mrs. Levi DeHart visited with Mr. Alsop and family Sunday.

Rev. Young filled his appointment at the Amack school house Sunday.

Jud White took part of his stock out of the Applegate pasture this week.

A. J. White and J. J. Smith have purchased a Deering binder together.

Walter Applegate's sister returned to Gibson this state to spend the 4th of July.

Joe Wooley, who has been working for Geo. Coon for some time has resigned.

Most everybody from this section attended the celebration at Red Cloud Tuesday.

The rain this week came just in time to insure a big yield to those who had oats in bloom.

We are not trying to improve on any one but we are endeavoring to give the news of our locality.

There are some who are through plowing corn while others are not through the second time.

The Brethren had a children's meeting on the 4th at Cedar creek. Everybody reports having a good time.

There was to be preaching at the Brethren church Sunday night by Rev. Smith but on account of the rain no one was present.

There was a children's meeting at Ash creek last Sunday, and from the interest manifested by the little ones we think it would be well to have them oftener.

Your correspondent came very near getting a licking because he gave a lady some good advice. I expect to sometime find Tramp's carcass dangling from a limb simply because he told some lady to follow the golden rule.

Some one (we are not in a position to say who) has written quite a lengthy article and pasted it on the bridge. As to what they mean we are not able to say, but we rather think it is a slur on the ladies of Garfield and should be torn down as soon as it was seen.
