STATE CREEK.

Mr. Nyberg sold a fine cow to Ed. Mountford for \$35. Fred Wittwer sold two fine cows to A. Servier for \$65. Lafe Fitzgerald sold his bay trotting mare, Nell, to a Mr. Jones. The Arbuckle farm in section three has been sold to Mr. Maynard. The Steffen boys are threshing again in these parts, with Wm. Ryan as a partner. Geo. McMurray bought ninety head of cattle to feed. He paid \$4.35 per hundred. The Oriole meetings conducted by Rev. Robt. Goldworth have closed with three additions. Mr. Rosencrans and daughter May and his uncle and daughter, and Wm. Barrett and wife attended the Hastings street fair and report a good time. We are having very cool weather and no rain on our creek. Some are not done fall plowing and sowing on account of the ground being so dry and hard. Jake Williams is married. We did not learn the lady's name as she lives off some thirty or forty miles, but join in extending congratulations and wish the couple success. Dan Fitzgerald of Kansas City is visiting relatives and friends in this vicinity. He is a brother of L. N. F. and a son of old Mrs. Provalt. He is an old soldier from the old Hoosier state of Indiana. Wm. Aubushon, who has rented the W. H. Rosencrans farm for next year, has finished sowing forty acres of wheat and ten of rye on the Allen Carpenter farm adjoining his. He is one of the most industrious young men of this part. Success in spite of all he could do under the gold standard administration. R. C. Wilson lived on his homestead and made but few improvements until last year when he built a fine residence; this year a barn and a new wagon and has more stock than ever. Others nearby who are also opposed to gold have prospered wonderfully in the past year. One man has built a \$700 house, bought another farm, and still has about the same amount of stock around him. I could mention several who stood in their own light during the last campaign and are now getting ready to make extensive improvements. One old man who is said to have controlled six votes against gold has since paid off his mortgage and admitted that under Cleveland's administration he couldn't do that. You have to grin and bear it for you know it is true.

CONSTIPATION

Headache, biliousness, heartburn, indigestion, and all liver ills are cured by Hood's Pills Sold by all druggists. 25 cents.

INAVALVE

Mrs. H. G. Sawyer is enjoying a visit with her sister from the east. Threshing and potato digging seems just now to be the order of the day. Rev. Rippeot, the new minister preached to a full house Sunday night. Chas. Hunter is building a feed yard on his land west of the Ladd residence. The sale at Herbert Luce's last week was largely attended and prices were good. Rev. Blackwell's wife and daughter spent Friday with O. B. Harvey and family. Mr. Eddy of Custer county is visiting here with his brother-in-law, J. M. Broomfield. Potatoes are a big crop this year, yet they are in great demand. O. B. Harvey has sold and contracted over 400 bushels of as fine potatoes as can be grown in the state. Frank Kihcaid is also supplying the public with the great product. Come everybody to the Sunday school rally at the church next Sunday. Mrs. McClaren will conduct a review of the third quarter's lessons. A good program is being prepared and there will be three services--forenoon, afternoon and evening. Good songs, good time, good people, don't fail to attend. Last Sunday night O. B. Harvey's team became frightened at the ringing of the church bell and ran away, smashing up the vehicle to which they were attached and leaving it in U. G. Knight's barn yard. They then took the road north and went around the square and were found later quietly eating at the hay stack at home. Mr. and Mrs. Harvey were fortunately out of the buggy when the team started so no one was hurt.

Three Doctors in Consultation.

(From Benjamin Franklin.) "When you are sick what you like best is to be chosen for a medicine in the first place; what experience tells you is best to be chosen in the second place; what reason (i. e. theory) says is best to be chosen in the last place, but if you can get Dr. Inclinatum, Dr. Experience and Dr. Reason to hold a consultation together, they will give you the best advice that can be taken."

When you have a bad cold Dr. Inclinatum would recommend Chamberlain's Cough remedy because it is pleasant and safe to take. Dr. Experience would recommend it because it never fails to effect a speedy and permanent cure. Dr. Reason would recommend it because it is prepared on scientific principles, and acts on nature's plan in relieving the lungs, opening the secretions and restoring the system to a natural and healthy condition. For sale by H. E. Grice.

To Cure a Cold in One Day.

NEVER TOO OLD TO BE CURED.

S. S. S. is a Great Blessing to Old People. It Gives Them New Blood and Life.

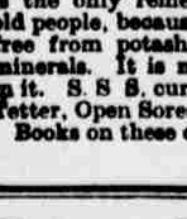

Age does not necessarily mean feebleness and ill health, and nearly all of the sickness among older people can be avoided. Most elderly people are very susceptible to illness, but it is wholly unnecessary. By keeping their blood pure they can fortify themselves so as to escape three-fourths of the ailments from which they suffer so generally. S. S. S. is the remedy which will keep their systems young, by purifying the blood, thoroughly removing all waste accumulations, and imparting new strength and life to the whole body. It increases the appetite, builds up the energies, and sends new life-giving blood throughout the entire system.

Mr. J. W. Loving, of Colquitt, Ga., says: "For eighteen years I suffered tortures from a fiery eruption on my skin. I tried almost every known remedy, but they failed one by one, and I was told that my age, which is sixty-six, was against me, and that I could never hope to be well again. I finally took S. S. S., and it cleansed my blood thoroughly, and now I am in perfect health."

S. S. S. FOR THE BLOOD

is the only remedy which can build up and strengthen old people, because it is the only one which is guaranteed free from potash, mercury, arsenic and other damaging minerals. It is made from roots and herbs, and has no chemicals whatever in it. S. S. S. cures the worst cases of Scrofula, Cancer, Eczema, Rheumatism, Tetter, Open Sores, Chronic Ulcers, Bolls, or any other disease of the blood. Books on these diseases will be sent free by Swift Specific Co., Atlanta, Ga.
