Just a chance meeting in the rain and so many things to talk about. That means wet feet and a neglected cold. Then

comes the hacking, lingering cough, and the doctor looks serious and talks of pine woods or mountain air. That is the time when Dr. Pierce's Golden Medical Discovery proves its value. It has cured hundreds of cases of

"weak lungs," obstinate, lingering cough, bronchitis, spitting of blood, and other forms of disease, which if neglected or unskillfully treated lead to consumption, "About eight years ago I had a dreadful cough and hearseness," writes Mrs. Ida F. Edwards, of Sterling, Sanpete Co. Utah. "I tried several kinds of medicine but without any effect; at last I tried Dr. Pierce's Golden Medical Discov-ery, of which I have taken four bottles, and my cough is entirely cured."

Sick people are invited to consult Dr. Pierce, by letter, free. All correspondence private. Address Dr. R. V. Pierce, Buffalo, N. Y.

Over-Work Weakens Your Kidneys.

Unhealthy Ridneys Make Impure Blood.

The kidneys are your blood purifiers, they filter out the waste or impurities in the blood. If they are sick or out of order, they fail to do Pains, aches and rheu-

matism come from excess of urio acid in the blood, due to neglected

kidney trouble. Kidney trouble causes quick or unsteady heart beats, and makes one feel as though they had heart trouble, because the heart is over-working in pumping thick, kidney-poisoned blood through veins and arteries. It used to be considered that only urinary troubles were to be traced to the kidneys, but now modern science proves that nearly all constitutional diseases have their beginning in kidney trouble.

If you are sick you can make no mistake by first doctoring your kidneys. The mild and the extraordinary effect of Dr. Kilmer's Swamp-Root, the great kidney remedy is soon realized. It stands the highest for its wonderful cures of the most distressing cases and is sold on its merits

by all druggists in fifty-cent and one-dollar siz-es. You may have a sample bottle by mail Home of Swamp-Root, free, also pamphlet telling you how to find out if you have kidney or bladder trouble. Mention this paper when writing Dr. Kilmer & Co., Binghamton, N. Y.
