

HEADACHE

is only a symptom—not a disease. So are Backache, Nervousness, Dizziness and the Blues. They all come from an unhealthy state of the men- strual organs. If you suffer from any of these symptoms—if you feel tired and languid in the morning and wish you could lie in bed another hour or two—if there is a bad taste in the mouth, and no appetite—if there is pain in the side, back or abdomen—BRADFIELD'S FEMALE REGULATOR will bring about a sure cure. The doctor may call your trouble some high-sounding Latin name, but never mind the name. The trouble is in the menstrual organs, and Bradfield's Female Regulator will restore you to health and regulate the menses like clockwork.

Sold by druggists for \$1 a bottle. A free illustrated book will be sent to any woman if request be mailed to THE BRADFIELD REGULATOR CO. ATLANTA, GA.

During the day a phonograph entertainment will be given and all who wish can hear music, etc., for the small sum of five selections for 10c, and each ten cent ticket entitles the holder to a chance on the phonograph which will be given away. The selections consist of band music, songs, dances, speeches, etc., and were made especially to order. If you miss this part of the celebration you will have missed the best part of it.
This program may not be as extensive as some in the neighboring towns but it will furnish an excellent afternoon's entertainment, and those who wish to come are cordially invited to come and participate.

To Mrs. Pinkham, Lynn, Mass.

[LETTER TO MRS. PINKHAM NO. 41,207]

"DEAR FRIEND—A year ago I was a great sufferer from female weakness. My head ached all the time and I would get so dizzy and have that all gone feeling in the stomach and was so nervous and restless that I did not know what to do with myself. My food did me no good and I had a bad case of whites. I wrote to you and after taking Lydia E. Pinkham's Vegetable Compound as directed, I can truly say that I feel like a new woman and cannot tell you how grateful I am to you.

"I have recommended it to all my friends and have given it to my daughter who is now getting along splendidly. May you live many years to help our suffering sisters."—MRS. C. CARPENTER, 253 GRAND ST., BROOKLYN, N. Y.

Over eighty thousand such letters as this were received by Mrs. Pinkham during 1897. Surely this is strong proof of her ability to help suffering women.

of the people generally relative to several proposed changes in the school law which are likely to come before our next state legislature. It was voted that another school officers' meeting be called for the second Saturday in January, 1901.

The Eminent Kidney and Bladder Specialist.

The Discoverer of Swamp-Root at Work in His Laboratory.

There is a disease prevailing in this country most dangerous because so deceptive. Many sudden deaths are caused by it—heart disease, pneumonia, heart failure or apoplexy are often the result of kidney disease. If kidney trouble is allowed to advance the kidney-poisoned blood will attack the vital organs, or the kidneys themselves break down and waste away cell by cell. Then the richness of the blood—the albumen—leaks out and the sufferer has Bright's Disease, the worst form of kidney trouble. Dr. Kilmer's Swamp-Root the new discovery is the true specific for kidney, bladder and urinary troubles. It has cured thousands of apparently hopeless cases, after all other efforts have failed. At druggists in fifty-cent and dollar sizes. A sample bottle sent free by mail, also a book telling about Swamp-Root and its wonderful cures. Address Dr. Kilmer & Co., Binghamton, N. Y., and mention this paper.

CURED.

Chicago, Ill. Aug. 29, 1899.

Gentlemen:—After serving 3 months in the Cuban War, living in trenches full of mud and water day after day, and drinking water full of disease, and eating when I could get it, finally threw me into a fever and this located in my kidneys, developing Bright's Disease. I was in a serious condition for some time after my return. Dodd's Kidney Pills were recommended to me by one of our Company who had suffered the same trouble I had, and he had been cured; therefore I took Dodd's Kidney Pills and am glad to state that I am as well and sound in health today as before going to Cuba. I credit Dodd's Kidney Pills for restoring my health, and recommend them to any one suffering from kidney troubles. I am very gratefully
