## DEPARTMENT STORE.

FOR COUNTY REPRESENTATIVE,

### CHARLES E. HICKS,

Of Bladen, Nebraska.

Charles E. Hicks, the republican candidate for representative of the 4th district and the subject of this sketch, is of German descent and was born in Pennsylvania in 1858. In the spring of '61 his parents emigrated westward and settled at a small station called Ogle, now Ashton, in Lee county, Illinois. Here Charles spent his childhood and grew to manhood, receiving his education at the Ashton public schools. During vacation he worked on the farm until 15 years of age, when his father by contract bound him out for three years to an English pharma-

honest and hard fight and won by a small majority. By his acts in the legislature he has shown good judgment and has the interest of the common people at heart. Mr. Hicks is now before the people as the republican candidate for representative, and the voter who before wisely reposed confidence in him certainly has no cause to change his views this year. He has been a faithful representative of his people and we believe the voters of this county will say at the polls next November, "You have done your work well, we know your ability and we trust you implicitly."

There is more catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it as a local disease, and prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Science has proven catarrh to be a constitutional disease, and therefore requires constitutional remedies. Hall's Catarrh cure, manufactured by F. J. Cheney & Co., Toledo, Ohio, is the only constitutional cure on the market. It is taken internally in doses from ten drops to a teaspoonful. It acts directly on the blood and mucous surfaces of the system. They offer one hundred dollars for any case it fails to cure. Send for circulars and testimonials. Address: F. J. Cheney & Co., Toledo, Ohio. Sold by druggists, 75c. Hall's Family Pills are the best.

Kidney disease is the enemy we have most to fear as a result of the feverish restlessness of our much vaunted modern civilization. It is a treacherous enemy, working out its deadly effect under cover of the most trifling symptoms. The first indication of changes in the urine, frequent headaches, digestive troubles, should be the signal for prompt remedial measures. Prickly Ash Bitters is a kidney remedy of superlative merit; it is soothing, healing and strengthening, quickly relieves the aching and soreness that always appears in the advanced stages, checks the progress of the disease and through its excellent cleansing and regulating effect in the stomach liver and bowels it brings back the strength and ruddy glow of vigorous health. Sold by C. L. Cotting.

Inflammatory Rheumatism cured in 3 days. Morton L. Hill of Lebanon, Ind. says: "My wife had inflammatory rheumatism in every muscle and joint; her suffering was terrible and her body and face were swollen almost beyond recognition; had been in bed for six weeks and had eight physicians, but received no benefit until she tried the Mystic Cure for Rheumatism. It gave immediate relief and she was able to walk about in three days. I am sure it saved her life." Sold by H. E. Grice, Druggist, Red Cloud, Neb.

Two years ago much against his wishes, he was nominated for 40th district representative of the 40th district and accepted the nomination with 700 majority against him. He made a clean-

candidate, who was to teach him the drug business and to give him for his services the first year a suit of clothes, the second year fifty dollars and the third year one hundred dollars. He served his time and continued to work for his employer. In the early spring of '74 his father died, throwing him upon his own resources. In 1878 he accepted a position in a drug store in Clinton, Iowa. In the spring of 1880 he came west to the present site of Odell, Neb., where he worked on a farm for P. G. Walker. That fall he returned to his home in Illinois and cast his first vote for the lamented James A. Garfield.

In the spring of 1881 he went into the drug business in partnership with his

### HEADACHE

is only a symptom—not a disease. So are Backache, Nervousness, Dizziness and the Blues. They all come from an unhealthy state of the menstrual organs. If you suffer from any of these symptoms—if you feel tired and languid in the morning and wish you could lie in bed another hour or two—if there is a bad taste in the mouth, and no appetite—if there is pain in the side, back or abdomen—BRADFIELD'S FEMALE REGULATOR will bring about a sure cure. The doctor may call your trouble some high-sounding Latin name, but never mind the name. The trouble is in the menstrual organs, and Bradfield's Female Regulator will restore you to health and regulate the menses like clockwork.

Sold by druggists for \$4 a bottle. A free illustrated book will be sent to any woman if request be mailed to THE BRADFIELD REGULATOR CO., ATLANTA, GA.
