There is more catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it as a local disease, and prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Science has proven catarrh to be a constitutional disease, and therefore requires constitutional remedies. Hall's Catarrh cure, manufactured by F. J. Cheney & Co., Toledo, Ohio, is the only constitutional cure on the market. It is taken internally in doses from ten drops to a teaspoonful. It acts directly on the blood and mucous surfaces of the system. They offer one hundred dollars for any case it fails to cure. Send for circulars and testimonials. Address,

F. J. Cheney & Co., Toledo, Ohio. Sold by druggists, 75c. Hall's Family Pills are the best.

OCCASIONAL.

Beginning next week **THE CHIEF** will print and send out 2,000 papers each week until the first of January. This entire edition, with the exception of probably 150 each week will be sent out to residents of Webster county and the adjacent Kansas territory. We do this with a view to introducing our paper into the homes of the people who have moved to this county within the past year or so. No one need be afraid of taking these papers out of the post office between now and January 1 for there will be no expense attached to it whatever, you get it absolutely free. If any of those receiving these sample copies desires to subscribe before the first of January they can do so and upon the payment of one dollar their subscription will be credited up to the first of January, 1902. Advertisers who want space in these editions should contract for it at once, as it is a case of first come, first served.

We desire to secure a correspondent in every part of the county. During the campaign we permitted this part of the paper which adds much to the newsmanship to lag, but now it will receive our best attention. We will cheerfully furnish paper and envelopes and also this paper free to anyone who desires to furnish us the items of news from their locality. This is a good chance for someone to get the paper for a very little trouble.

Over-Work Weakens Your Kidneys.

Unhealthy Kidneys Make Impure Blood.

All the blood in your body passes through your kidneys once every three minutes.

The kidneys are your blood purifiers, they filter out the waste or impurities in the blood. If they are sick or out of order, they fail to do their work.

Pains, aches and rheumatism come from excess of uric acid in the blood, due to neglected kidney trouble.

Kidney trouble causes quick or unsteady heart beats, and makes one feel as though they had heart trouble, because the heart is over-working in pumping thick, kidney-poisoned blood through veins and arteries. It used to be considered that only urinary troubles were to be traced to the kidneys, but now modern science proves that nearly all constitutional diseases have their beginning in kidney trouble.

If you are sick you can make no mistake by first doctoring your kidneys. The mild and extraordinary effect of Dr. Kilmer's **Swamp-Root**, the great kidney remedy is soon realized. It stands the highest for its wonderful cures of the most distressing cases and is sold on its merits by all druggists in fifty-cent and one-dollar sizes. You may have a sample bottle by mail free, also pamphlet telling you how to find out if you have kidney or bladder trouble. Mention this paper when writing Dr. Kilmer & Co., Binghamton, N. Y.
