Comprising many of the BEST PRAIRIE LANDS

AND FOR BALK BY THE Burlington & Missouri River R. R. Company,

No part of Principal due for two years from purchase, and afterwards only one-minth yearly. Products will pay for land and inquovements. The Prices of these lands are low, ranging generally in lown, from 58 to \$16 per acre, and in Nebruska from \$1 to \$12 per acre, with some less and some more.

They vary according to soil, location, water supply, finder, and other advantages, in precisely the same manner as do other lards.

All these peculiarities of every lot offered for sale, may be fearned at the office of the Land Commissioner, or of any of the local agents along the line; but every man will, of course, examine in person the land be expected only a fearner with the ordinate, and for this every facility is offered.

Are not exceeded in fertility, beauty, and all attractions and advantages of locality and soil which are essential in the estimation of farments, by any region in the world; while trade, manufactures, arts, science, and all the attendants of refinement and luxury, while enterprise can introduce and thrift maintain, are ioliowing rapidly the march of settlement.

The flatiroad lands already sold have been wonderfully improved, and the increase in their value is large, in many cases almost lucredible.

Auch equally good land remains unsold, and can be purchased at low rates, on the same easy terms of payment and with equally good prespects of steady and large increase in value.

# TERMS OF SALE.

Her liciter terms than these have never is an offered, and probably never will be.

Farties who jurchase for each receive a Certificate of Furchase, and a Warranty Deed as soon as it can be executed.

If purchased either on Short Credit or Long Credit, a Contract or a Bond for a Deed is executed, and, so seen as all the payments are made, a Warranty Deed, free from any incumbrance, is given, precisely as in the case of lands purchased for each down.

No abstract of title is necessary, as it is well known that the lands were granted directly to the railroad company by the United States.

CIRCULARS Containing full and reliable information cou-cerning these lands, the region in which they are situated, towns, schools, soil, climate, pro-ducts, stock, markets, railroads, etc., are in-nished gratultously.
