SOME of our persecuted free lunch citizens talk of emigrating to the Far(e) Islands.

THE New Orleans Republican says: "Next week we shall have Lydia Thompson at one theatre and the 'Wicked World' at another."

THE telegraph informs us that another bank cashier has confessed to sundry irregularities, amounting in the neighborhood of \$65,000. Another evidence that irregularities are not confined to political officeholders.

AN Arkansas paper says that there is only one politician in the State who is above suspicion.—Ex. That is one more than we could muster in Nebraska.

IN the opinion of a Wyoming contemporary wood goes farther when left out of doors than when well housed. Some of his woodpile went half a mile the other day.

ACCORDING to the Council Bluffs Globe the Spoon Lake fool-killer now uses Omaha whisky instead of a club. Council Bluffs may therefore prepare for the worst. An obituary notice of the Globe man is likely to appear in the very next issue of that paper.

AND now we learn that old Bill Allen's colored coachman eloped with a German servant girl, greatly to the disgust of the Democrats who elected Allen on a strictly anti-miscegenation platform. There is only one consolation, Ohio probate courts are not restricted by the law of color in issuing a marriage license.

JUSTICE is not so much a mockery in Louisiana as it used to be. A New Orleans justice has decided that where two families occupy a house, one family can't sing "Captain Jack" over thirty times in succession without being liable to a fine for disturbing the peace.

THE Chicago Inter-Ocean some days ago propounded the conundrum, "What is money?" to which the Toledo Blade replied: "Well, that depends upon where you are. In Chicago, it may mean white-plasters, in Toledo, gold, and in Washington, greenbacks, while there are places where pot-metal is money, and brass, and where there is such an abundance in Chicago."

Self-interest prompts us to deal with those who give us the best bargains. If you will step in at P. L. Gottheimer's, No. 206 Farnham, you will be convinced that you can buy a good suit of clothing, overcoats and furnishing goods for less money than in any other house in this city. Come and price our goods before buying elsewhere. my21yl
