Finance Committee

WASHINGTON, March 31. Mr. Ferry from the Finance Committee reported favorably on the bill authorizing the coifage of twenty cent silver pieces; placed on file.

The Senate then proceeded to the discussion of the bills on the calender; pending the discussion the morning hour expired, and the Senate resumed the consideration of the bill providing for resumption and re-issue of United States notes; and

HAVANA, March 31. Carlos and Gorcia, formerly noto rious highwaymen, who afterwards served as Insurgent leaders, but were pardoned by Caballero de Rodas and Antonio Gouzales, were discovered yesterday by two gendearms en route from Santa Ma. ia Del Rosario to Jesus Del Moute, in the suburbds of Havana. Gen de Armes followed them, and on catching up at the latter place was assisted by some policemen, who at-tempted to arrest Gorcia. He and his accomplice resisted, when shots were exchanged. Gouzales received nve ballets in his body, causing his

A London dispatch received on Wall street yeste day afternoon just before the close of business, reported a severe depression in domestic se-curities there, with a decline, averaging three per cent. and a panicy feeling in the market. This news, if confirmed to-day, may cause con-siderable excitement on Wall street. The war between the great railroad trunk lines on the subject of carrying immigrants is assuming interesting proportions, and is likely to result in a great reduction of rates, much to the benefit of emigrants. The Erie, Pennsylvania and New York Central roads are engaged in a hot com-petition on the matter. One of these companies, it is said, contracted with a majority of steamships to carry their their emigrant passengers west, paying the steamship companies 20 to 30 per cent. commission
