HEAVEN helps those only help themselves. [Johnson.

THE staff officers are all happy. Governor Furnas is starting a daily organ for them at the State Capital.

AND now they have two Governors in Arkansas. One of them is erying to arms! and the other is cry-

THE Johnson-Baumer Court of Inquiry has already shed twenty gallons of ink, and they have only reached one-tenth of the testimony.

WE can understond why St. Louis is opposed to cremation. The Chicago papers charge her with figuring the occupants of her cemeteries into her directory.

IF Mr. Johnson's friends are dissatisfied with the official canvassers let them engage Tennie C. Claffin. She is by all odds the best can vasser in the country.

THE raw recruits of the City Council will appear on dress parade this evening. Sergeant Major Lucas and Corporal Stevenson, will act as drill masters.

THEY need a new board of equalization in the classic village near Spoon Lake. Their City Council has decided to assess ice in store at \$1.00 a ton, and tax telegraph lines within the city limits at \$15.00 per mile, and fifty cents per pole,

THERE is balm in Gilead. Congress is moving to the rescue of the oppressed and distressed newspaper publishers. The Lower House has already passed a bill abolishing postage on newspaper exchanges, and the probabilities are that the bill will pass the Senate.

The Chicago Post says: "This will be good news to country editors. Their pay from subscribers often comes in such questionable shape that it cannot be readily converted into currency wherewith to pay postal and other dues. Onlons, potatoes, and sorghum molasses, is good material to have in one's cellar, but poor stuff sometimes to readily realize upon. One exchange comes to us, nstance, with a declaration that ATTORNEYS ATLAW. it will receive from delinquent subit will receive from delinquent sub-"from old clothes to pitchforks."

Knocked Down!

A remarkable fact can be ascertained by investigating our stock and prices that we have reduced to a very low figure all of our clothing and Gents'. furnishing goods, far below the price of any other house. Overcoats in particular can be bought of us now at least 25 per cent. less than our former prices. Quick sales and small profits is our motto.

rejected.
On motion of Mr. Hale the amendment making the congression of the sional printer an officer of the United States, instead, as at present,

from \$50,000 to \$25,000. He argued that the law of the last session increasing salaries including the salary of the President, was unhold expenses, Mr. Hale of Main, opposed the amendment and said so much of the Presidential mansion much of the Presidential mansion several newspaper reporters.

posed Dawes and Butler had harmonized their differences on account of some little local issue. Mr. Dawes replied to Mr. Butler's comments or his supposed and deviced their differences on account appointments and commissioned supposed to Mr. Butler's comments or large the management of the fall election. Brooks has revoked all of Baxter's militia appointments and commissioned agree with Governor Baxter regardof some little local issue. Mr. Dawes replied to Mr, Butler's comments or his sppeech, and denied that he (Dawes) had said anything as to the unreasonableness of a single appropriation for the President's mansion. What he had said in his speech referred to, had reference to the appropriations for the executive establishment.

Adjourned.

Tevoked all of Baxter's militia appointments and commissioned B. F. Cotterson adjutant, and Jack Brooks a major general. Baxter is organizing a militia and says he will act vigorously, having plenty of arms at his disposal at the United States' arsenal. Robert Newton will be appointed general, and there probably will be blood shed if the Stamped, Japanned and French Were on hand. Tin Boofing, Guttern and Sponting and West data and Varrantee.

were present from all the principal The Senate financial bill reaches the order in Europe and America.

Owing to an incorrect statement that the bounty laws had been passed by the present Congress, the Auditor's office is flooded with letters and requests of blanks for appli-

or Baxter. On ren ering judgment Brooks qualified and took posses-sion of the office, Baxter retiring. The Postmaster General in a communication to Congress, advocated the law compelling the payment of aid to take possession of office by force. The friends of each are much excited, and blood shed is em-HOUSE.

After reading the journal the House went into a committee of the whole on legislative, executive and judicial appropriation bills. Mr. Parker moved to strike out the item of \$44,000 for newspapers

and stationary for members;

an officer of the Senate, was item of the President's salary constitutional. He also criticised was occupied for public purposes, that the family was huddled into smaller apartments than were occupied by thousands of private families all over the country, and declared none of the items for the Presidential mansion were personal

perquisites.
Mr. Butler of Massachusetts, took the statement made by Mr. Dawes sometime ago, which gave the impression that the President's office yielded the incumbent \$300,000 during the term. He de- tains for ten months, being afraid to clared that there had been no in: erease, and substantially no decrease in the appropriations for the President's household for many years.

Another younger Bender has since been arrested. The two sisters are stell at large. taining officials in former times was proportionately greater then now.

Mr. Cox commented in a humorous way upon Mr, Butler's speech, especially the latter's criticism of Mr. Dawes, saying that he had supand asserted that the cost of main- tinues. It is asserted that coup de Mr. Dawes, saying that he had sup-posed Dawes and Butler had har-

fight it out. Over three hundred fight it out. Over three hundred men under arms were on the State House ground hat night. People are arriving en masse from the country. Baxter's troops are concentrating. It was rumored last night that the commandant of the U.S. troops received orders to support Baxter. The State House has been rendered impregnable, the entrances being guarded by howitzers.

The French Steamer Ameripue The French steamer Amerique from New York to Havre, foundered between Brest and Havre. She left The Currency Bill to be Taken

New York April fourth and touched at Brest April 14th. All the passengers were saved. The agents in this city of the general Trans-Atlantic Steamship Company, have received a brief announcement of the loss of their steamer Amerique off the French coast Tuesday. She sailed from New York on the 4th inst, and was ten days out when the disaster oc-curred. The company has no particulars concerning the cause of the disaster and is anxiously waiting for particulars. Large crowds have gathered in front of the company's office at 58 Broadway inquiring con-cerning the fate of friends and relatives who sailed in the Amerique. The news of the safety of all pasngers and crew, with the exception of the second officer, gave general satisfaction to inquirers. The news of the loss of this fine vessel, following close on the loss of the Europe, has created a good deal of excitement in the oity. The cargo of the Amerique consistied of forty thousand bush els of wheat, two hundred baies of cot-
