TORONTO, ONT., June 13. At the approaching Episcopal Synod, to be held in this city, warm work is expected between the High Church party and the Church Convention, on the charge of immorality in St. Joseph's Convent, in this city, made by Miss Cooper, who escaped recently and is now with her mother in Cleveland. It will be re-ferred to His Holiness the Pope, by the Reverend Father Vincent, who is a friend of the presentarch-bishop.

PHILADELPHIA, June 13. The will of the late Asa Whitney, car-wheel manufacturer, was admitted to probate to-day. It devises fifty thousand dollars to the trustees of Pennsylvania University for endowment of a professorship of Dynamical engineering; twenty thousand to the old mens' home, ten thousand to St. Luke's church and twenty-five hundred for the chapel, and twenty-five thousand to the Childrens' Sea Shore house at Atlantic City.

QUEBEC, June 13. The steamer Ivis, which arrived ip last night, brought ten men beonging to the Norwegian vessel Fenretta, Captain Bull, of Bridgewater, for Quebec. She struck an iceberg and sunk. The captain and his wife and crew took to boat, and were floating about five days without provisions when they were picked up by the Ivis. They were four days on the Ivis when they fell in with a ship on the 4th of Novem-ber off the Banks of Newfoundland, which vessel took the shipwrecked mariners on board.

WASHINGTON, June 13. In the House Mr. Linch, of Miss. rose to a personal explanation, and had an extract from the New York Tribune commenting on his speech in the late Republican caucus. He said he had been misrepresented in his views, and he did not mean as the Tribune intimated, to say that the colored people would support any man for office, no matter how corrupt he might be; whatever might be the case in other States. There was no corruption in the local State government of Mississippi if the colored people were only united in politics. Was it not in consequence of acts of the Opposition who had refused to accede any rights to the colored men; they adhered to the Republican party because it acted justly toward the colored people.

The House then proceeded to the

consideration of the Senate amendments to the bill to amend the cus- CHRONOS, ENGRAVINGS AND tom revenue laws, and to repeal the moieties. Nearly all the Senate amendments were not concurred in and a committee of conference was ordered. The conferrees on the
