CHICAGO, July 9. The following dispatch was re-ceived at military headquarters last tiously, LONE TREE, Neb., July 8.

To Gen, R. C. Drum, U. S. A. Chi-In consequence of the many de-predations by the Sioux in the Wind River Valley on the white settlers and the Shoshonese Indians, one of the latest being the murder and horrible mutilation of two white wo-men. Dr. Irvin, agent for the Sho-shonese, made the request that the Bloux should be punished, if possi-

On the morning of the 2d of July, while General Ord and myself were while General Ord and myself were at Camp Brown, an opportunity presented itself and Captain Torry, of the Thirteenth Infantry, commanding Gamp Brown, was directed to send Captain Bates and Lieutenant Robinson with Company B, Second Infantry, accompanied by twenty Indian scouts under Lieutenant Young of the Fourth Infantry, and about 150 Shoshonese under their chief, Washakie, to attack a camp of Sioux letaly established on the north side lately established on the north side of the Gwl mountain range where the Wind river breaks through, dis-tant about 90 miles from Camp Brown.

The attack was made at 3 p. m July 4th. The result being fifty Sloux killed and wounded, and over one hundred horses captured. Our loss two men killed, and Lieutenant

been presented to the Assembly with the King's endorsement. The Assembly has voted \$15,000 for the purpose of erecting a palace for the King. He asked for \$50,000. A correspondent of the Gazette calls attention to the fact that several members of the national legislature had been seen in public, helplessly intoxicated. The local action question, it is said, will be the most imtoxicated.

A Budget of News, Political and Financial, from the Capital.

A Traveling Gentleman's Views Concerning the Western and Southern Peoples' Opinion of the Inflation

He Says That Their Minds Are Changed, and They Don't Want Any More of It In Theirs.

WASHINGTON, July 9. The sub-committee of the Senate committee on transportation will soon begin its further investigation into all questions at issue between railroad companies and the govern-ment in relation to compensation for carrying the malls. The report of Senator Mitchell to the full committee has just been printed and has received full endorsement by his associates. The committee is to sit at some time during the recess to propose a bill fixing new rates of compensation on the space occupied by the mails, speed and frequency of service, and defining the right of eminent domain, whereby the rights of the government may be fully protected against any troublesome action of any railroad in future, in refusing to accede to such reasonable terms and arrangements as the government may prescribe for trans-A gentleman holding a govern-

ment office, which makes it his duty to make frequent tours over that part of the United States lying west of the Alleghanies, returns to the city this morning from an extended excursion over that section, and reports that the sentiment of the mass of the people with regard to inflation has undergone a most radical and complete change. He states that when making a similar trip in December and January last, he found the weight of opinion in favor of inflation; now, however, it is altogether changed, and Boutwell is receiving praise from all parties for the sou of his views, as set forth in his advocacy of the do-nothing policy. This the people have come to concede as wise, and the result, it is predicted, will be the election of a Congress this fall, the great ma-

to that theory. The gentleman in question does not explain how this remarkable change has been effected, but is inclined to attribute it to the cool reflection that followed the fever brought on by the panic, which so-ber thought, he thinks, was greatly aided by President Grant's veto message, and the publication of Mr. Jones' memorandum.

The Attorney General has ap-pointed A. G. Riddle to prosecute the parties concerned in the bogus fe burgiarly in Ut triet Attorney Harrington's office, Mr. Riddle was formerly a member of Congress from Ohio, but has been for the past few years practicing law in this city. ADJUTANT GENERAL'S OFFICE, WASHINGTON, July 8.

General Order No. 80. The authority of the division or department commander must be obtained for the transportation by express of funds to pay the department. Said transportation will be furnished by the quartermaster's department, when application is made in person to the quartermaster by the paymaster for such transportation. The receipt of the quartermaster, who will receipt to the former for the actual amount to be transported to the points desig-

The object of this last regulation is to obviate the necessity of journeys to procure funds by paymasters—it being neither expedient or economical; nor should they be absent from their posts for such purposes, as, for instance, to repair from St. Paul or Omaha to Chicago, the paymaster will not treat these transactions as an actual transfer of funds for which the quartermaster's receipts would be the vouchers; but will upon his weekly and monthly returns, during the pendency of transportation, account for this portion of his balance, as in the process of transportation by the quartermaster's department, from and to the quartermaster's department, must be able to show due care and precaution in providing for this transportation, but if loss of funds occurs by unavoidable accident, as by shipwreck or fire, it remains for the paymaster to seek relief by application to the court of claims or to Congress.

General order No. 18, of October 28, 1873, from this office, is hereby rescinded by order of the Secretary of WE.T. THOMAS M. VINCENT, Ass't. Adj't. General.

Ass't. Adj. Gen.'s Office, HEADQUARTERS OF ARMY, WASHINGTON, July 7. Special orders No. 22. - First, Leave of absence for four months is hereby granted Captain Lloyd Wheaton, Twentieth Infantry, to take effect on his return from the Black Hilfs expedition. Second, so much of special order No. 19, current series from these headquarters, as transfers First Lt. J. M. Ingalls, First Artillery, from company M to battery K, is hereby revoked, and First Lt. John Dillenbach, First Artillery, is transferred from company D to battery K. in jority of whom will be committed his place, and will comply with the

President McMahon Wants an Adjournment of the Assembly. Rather than the Resignation of His Ministers.

A Prominent London Newspaper's Opinion on the Proposed Reciprocity Freaty Between the United States and Canada.

London, July 9. The Times Paris correspondent telegraphs that McMahon in his forthcoming message will probably state that he could not accept the now outstanding amount to \$1,213,- resignations of the ministry because 500,000, and of this amount nearly sees, and he seed to save the country from the banks on deposit with the comptrolnitely organize his powers.

PARIS, July 9. There is great excitement in this city over to-day's sitting of the Assembl, at Versailles. The order or the day which had been agreed upon between the Right and Left Centres. was moved and formally voted upon this afternoon, resulting in the defeat of the government by a majority of forty-five votes. The order of the day acted upon defended the policy of President McMahon, and was acceptable to the government, whose defeat places the ministry in a very critical position. The dissolution of the Assembly is impending.

LONDON, July 8. A Times Paris special dispatch says that the Right and Left Centres have agreed upon an order of day, declaring that the assembly is determined to defend Marshal Mcthe greater portion of the mod-erate Right, who are able to turn the scales, are wavering. If the government is defeated a dissoluion of the Assembly is inevitable.

The Morning Standard, reviewthe proposed reciprocity treaty be-tween the United States and Canada, says that if adopted it will establish a separate North American Zollverein in regard to all the essential articles of trade between the States and the Dominion, excluding England from the Canadian markets like a foreign and less favored nation. The Canadian frontier will be virtually obliterated, and the ab-sorption of the British North American Provinces by the United States becomes only a question of time. LONDON, July 9.

The Herald special says: Min-G. W. Fowler, a laborer working on the new Tribune building, fell from the scaffold to the ground, a be erected in commemoration of the distance of sixty feet, killing him instantly.
