THE ALARM OF FIRE is a dreadful thing for the man without insurance. Every time he sees the engines racing along his heart comes up in his throat if the fire is anywhere near his place. What folly, what mistaken economy.

THE COST OF INSURANCE is so small that it need hardly be considered. The freedom from worry alone is worth it many times over. Have us insure you today.

Substitution Has Played Havoc

with many a family's most cherished, long planned home because they followed the advice of some one-idea builder who thought perhaps to improve upon Nature's own tried and tested material—lumber. The time to guard against disappointment is at the start. Look around and investigate the frame houses that have been standing for as many as thirty years and compare them with those constructed of other materials. Time alone is the real test of home building materials, because you don't build a home every ten years, and few people can afford to experiment with fads or theories. After making your comparisons come in and see the nice, bright lumber we have in stock and let us tell you in actual figures what a good frame house will cost you today. Real facts are deadly to substitution.

GARFIELD

Mr. Butler is on the sick list. Fine weather for this time of the year and it is almost like spring.

Charley Wolfe traded his farm in Garfield to Porter Hale for western land.

Miss Alma Ailes returned to the north west part of the state Friday where she is teaching school.

On Friday, Jasper Smith lost his barn and its contents by fire. He had the misfortune to lose six head of horses, harness and some feed. Mr. Smith and wife were in town and did not know it until they were very near home. There are no neighbors living close to Mr. Smith who could have put the fire out had they saw it in time. All the horses he had left with the team he was driving. The barn and horses were insured but it is hard on a man on a bad year like this with no crops.

On Monday Mrs. Mary Ann Amack died at the home of her daughter in Garfield after a long spell of sickness. She came to this part of Nebraska in the early days with her husband and went thru the hardships that were numerous in those times. Her husband James Amack died March 23rd, 1901. She raised a large family of six sons and two daughters who are married and live in Webster county except one who lives in western Kansas. They are: George, Evans, Charley, William, Frank and Lloyd Amack. Mrs. A. W. Shipman and Mrs. E. E. Shipman. She leaves two brothers and two sisters to mourn her death. They are: Henry Wolfe of Red Cloud, George Wolfe of Council Bluffs, Iowa, and Mrs. Louisa Ailes who resides in Garfield and a sister in Illinois. She joined the Christian church when quiet young and lived a christian life. She was always willing to help those who were sick and was well liked by all who were acquainted with her. The funeral was held at the Garfield M. E. church Wednesday afternoon. Rev. Hummel preached the funeral sermon and interment took place in the Waggoner cemetery. She leaves a large number of relatives and neighbors to mourn her death.
